

Money in the Bank

PUTTING spare change into the toy bank is a commendable habit. But simply leaving it there is useless hoarding—depositing your savings in a banking institution as they accumulate is Thrift. For only then does your money begin to earn its way.

You'll find this Bank more than just a strongbox for money. It can serve you as it serves all the community, with a power for co-operation and facilities for advantageous service.

LEE Says:

THIS little message
IS for the ladies today—
WILL the men please
RETIRE while we present
THIS matter!

(Pause for a few moments
while men retire)

ALL right ladies, now
THAT we're alone, we
WANT to remind you that
SPRING is here and that
SUMMER is just ahead—
NOTHING very new or
STARTLING about that,
BUT here's the point—
WHEN the sun shines

THE freckles are apt
TO appear and complexion
TROUBLES are sure to
INCREASE, and right
THERE is where we can
BE of invaluable service
TO you!

YOU see, we carry the
ELIZABETH ARDEN line of
COSMETICS—a line that
WILL protect, add charm,
AND enhance your natural
BEAUTY—we sincerely and
CONSCIENTIOUSLY recom-
mend

ELIZABETH ARDEN'S cos-
metics to

OUR lady customers.
