

Grammar School Lad Wins Music Memory Contest

George Eton, eighth grade pupil of the Howard school, Wilmette, won the first prize in the local music memory contest staged at the Village theatre last Friday, May 14, and will represent the north shore at the national contest to be held at Atlantic City beginning June 3, under the auspices of the National Federation of Woman's clubs. Mrs. Marion E. Cotton, music supervisor of New Trier high school, has been chosen by the Federation to manage this first national contest.

The winner of the second prize was Alice Shirinian, also of Wilmette, a freshman at New Trier high school. Her award was a Brunswick phonograph. The contest was open to both high school and grammar school pupils, and was conducted with the cooperation of Frank J. Seng, owner of the Village theatre, J. B. Koppel, manager, and Milton Hoskins, organist.

Mr. Hoskins arranged a special program of music which was played during the picture on the occasion mentioned. Entrants in the contest were required to recognize the number and the composer. Moving pictures all over the country played a part in the preliminaries of this first national contest. In addition to the trip to Atlantic City, George Eton was awarded a one year scholarship at the Chicago Musical college as a prize.

Monday, May 24, is the occasion of the annual tag day in Chicago and its suburbs for the Chicago Federation of Aged and Adult Charities. Two organizations will have taggers in Wilmette on that day.

QUOITS TOURNAY ON

In contrast with the more strenuous exercises comprising the major portion of the play activity, the North Shore Country Day school has instituted, for its restricted play and for general amusement, a number of ranges for the throwing of horseshoe quoits. A tournament is in progress which is arousing much good natured enthusiasm on the part of excited participants and partisans.
