Has "Western Freedom"

"He combines the best American traditions with a western freedom from traditionalism. We are extremely fortunate to be able to secure the services of a man of such good broad experience, thorough training and delightful personality. Mr. Beatty is so well loved and so much admired by all who know him that it was necessary to get a man of unusual ability and attainments to fill the position which Mr. Beatty is leaving vacant. I feel that Winnetka is to be congratulated on having secured such a man."
