**BOOKLET GIVES DATA
ON ILLINOIS SCHOOLS**

(Continued from Page 3)

of carpenters, 116 per cent; of common building labor, 122 per cent; of brick layers, 99 per cent; of all union labor, 114.3 per cent.

The number of teachers who are graduates of normal, of college, or of both normal and college, has increased 125 per cent since 1913.

Among the 48 state of the Union, Illinois ranks ninth in per capita income; fourth in per capita federal taxes on amusements; seventh in total income of internal revenue payments per capita; and fourth in income taxes paid per capita of population. Yet, with the latest data available, Illinois can be ranked not higher than sixteenth according to the Ayres' index of measuring the efficiency of states school systems.

We spend each year considerably more for tobacco than for education; three times as much for joy riding, races, pleasure resorts, and the like as we spend for education; and as much for soft drinks, perfumeries and cosmetics as for education. The average spent for both grades and high schools in 1924 was \$69.80 per pupil enrolled for current expenses and \$85.51 for all expenses.

**Kindergartners
Hold Festival
Friday, June 4**

The students of the National Kindergarten and Elementary college will hold their annual Commencement festival in the auditorium of Harrison hall, Wilmette-Evanston, Friday evening, June 4, at 8. The festival this year will take the form of a carnival, the cast for which includes about 150 of the graduating students.

The spirit of the carnival—a joyous, carefree gaiety—is accentuated by the music of the chorus of picked voices from the freshman class. Against the background of gay colors, varied costumes, swift movement and graceful dance, a troupe of strolling players presents a delightful fantasy, "The Knave of Hearts" and throughout the carnival runs the theme of the quest of the lover for his sweetheart.

The carnival is the first event in the Home-Coming week of the college which is attracting alumnae from many parts of the country. Members of the governing board as well as alumnae and the parents and friends of the students will be the guests of the college for the occasion.

**Deerfield Building Boom
Continues at Rapid Pace**

Building improvements continue apace in Deerfield. At the corner of Waukegan and Deerfield avenues a building is under way to accommodate six store rooms. It is of one story and is being erected by Carl Ceiss of Chicago, who plans to rent the stores in the building.

It is also reported that the North Shore Line is planning to build a house for its agent at Blodgett, where the Skokie line station is now nearing completion, as are other stations along the new line.

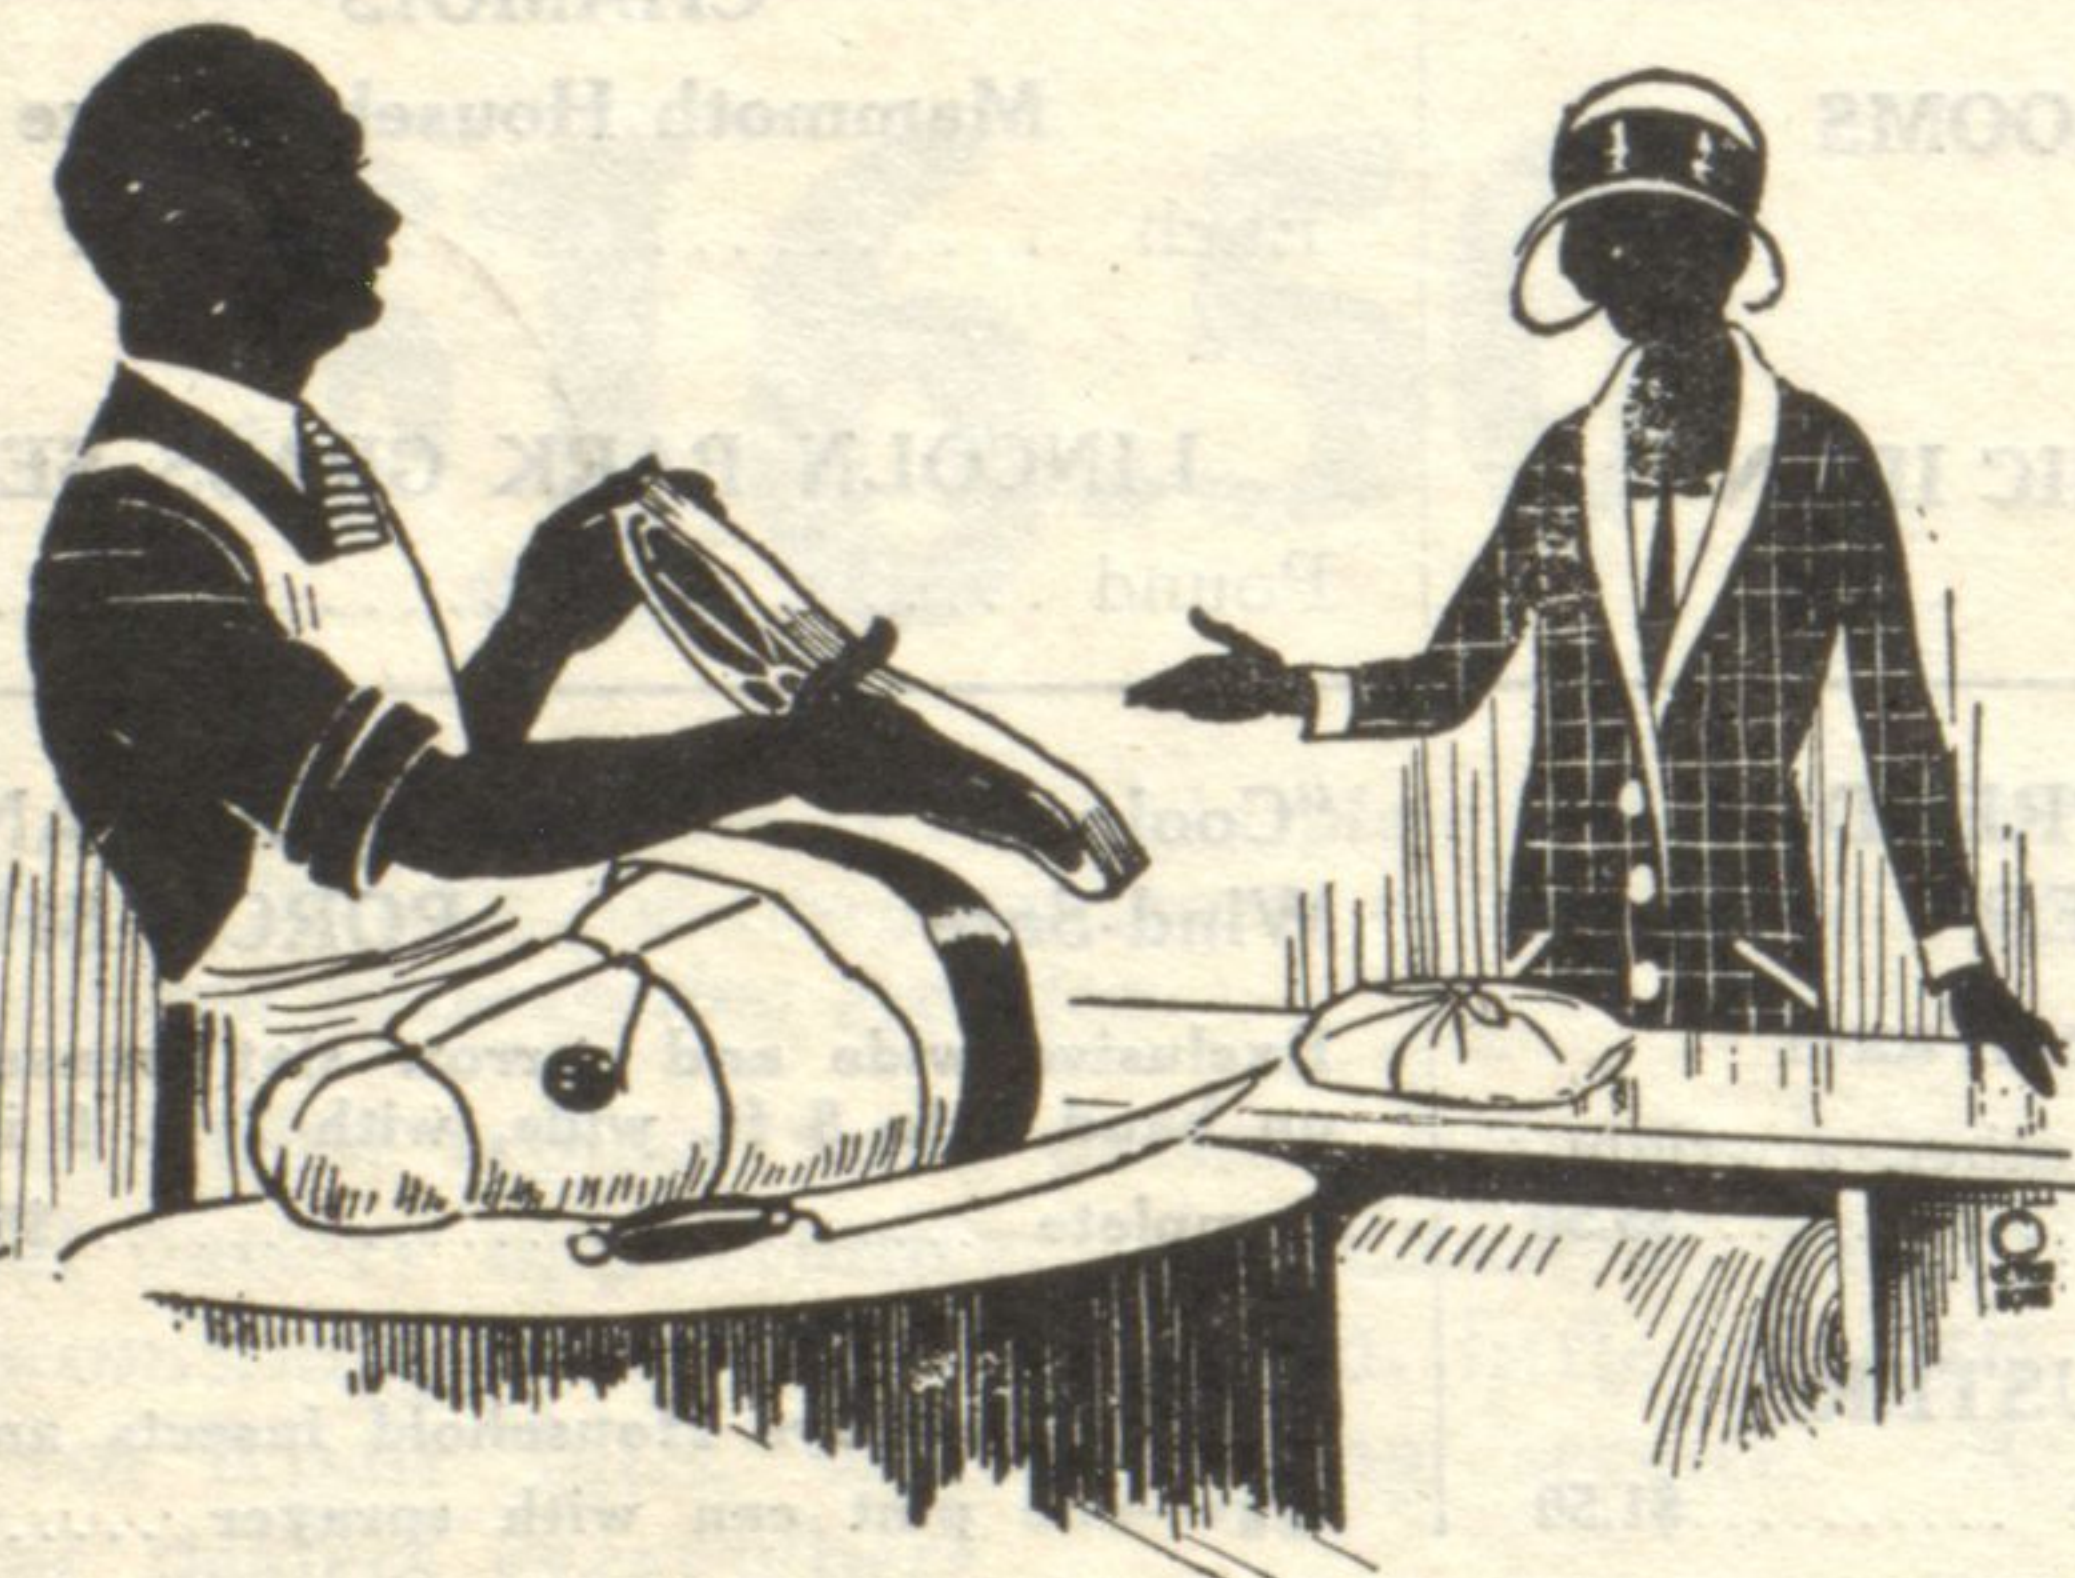

Miss Teresa Backus, 245 Cumnor road, Kenilworth, left Thursday, May 20, to visit in Kansas City. She returned Monday.
