

Builders Announce Dance for Evening of Friday, June 4

New Trier chapter, Order of The Builders announces a dance to be held at the Kenilworth club, on the evening of June 4.

"To those who have been fortunate enough to attend previous Builders' dances, this should prove wonderful news," declare the officers of the chapter. This final dance of the season will "go the others just one better," they promise.

Music for the dance will be provided by the College Crew, an organization of musicians favorably known to the young people of the north shore.

The Builders is an organization of young men under 21 years of age, whose fathers or older brothers are members of the Masonic fraternity. Its ranks also include boys who, though not of Masonic families, are properly recommended by a member of the order. Twice a year The Builders hold public installation in order to give their mothers and sisters an opportunity to witness the ceremony. The next of these public demonstrations is scheduled for Monday evening, June 21, at 7:30 o'clock, and will be staged at the Winnetka Masonic temple. There will be dancing at the conclusion of the ceremonies.

The New Trier chapter announces, especially, a meeting, Monday evening, June 7, at 7:30 o'clock at the Winnetka Masonic temple, at which there will be the conferring of degrees on a group of candidates and the annual election of officers.
