

### TWO NOTED ORGANISTS GIVE JOINT RECITAL

**Stanley Martin and S. E. Gruenstein to Give Vesper Program at Baptist Church**

The fifth and final Vesper Concert, in the series given since the first of the year, will be an event Sunday afternoon, May 30, at 4 o'clock, in the Wilmette Baptist church. These programs, of interest to music-lovers generally on the north shore, have been featured by the presence of some of the most distinguished organists of the Chicago district.

William H. Barnes, organist of the Baptist church, is responsible for bringing this fine array of talent to the village. As one of the foremost masters of the organ himself, he is personally acquainted with all of the other masters who have appeared from month to month. Large audiences have already enjoyed the outstanding programs given by J. Lewis Browne, Clarence Eddy and Edwin Stanley Seder.

This Sunday, at the Vesper hour, Stanley Martin of Evanston, and S. E. Gruenstein of Lake Forest, will appear in a joint organ recital. Each artist will share half of the program.

#### Well-Known Locally

Neither of these well-known organists need an introduction to north shore audiences. For a number of years Mr. Martin, who is organist of St. Mark's church, Evanston, and also of the Chicago Sunday Evening club, resided in Wilmette. He is professor of organ at Northwestern university and a general favorite. Tens of thousands of radio enthusiasts know of the skill of Mr. Martin, as the result of the broadcasting of the Sunday Evening club programs each week.

Mr. Martin at present is dean of the Illinois chapter of the American Guild of Organists. Mr. Barnes has announced that the program to be given Sunday is sponsored by the guild of organists, which makes the event one of more than passing interest.

#### Honored by Church

Last year Mr. Gruenstein gave a recital at the Wilmette Baptist church and won enduring recognition of his great skill and artistry. He is a former dean of the Illinois chapter of the guild. So it means that two prominent figures in the organization, devoted to advancement of the profession of the church organist, will appear for the delight of the hundreds who are expected to be on hand at 4 o'clock Sunday.

For thirty-five years Mr. Gruenstein has been organist of the Presbyterian church of Lake Forest. Recently his congregation presented him with a substantial purse in recognition of his most unusual record. He is also the editor of "Diapason," a monthly journal for organists.

#### HOW SLEEP THE BRAVE!

How sleep the Brave, who sink to rest  
By all their Country's wishes blest!  
When Spring, with dewy fingers cold,  
Returns to deck their hallow'd mould,  
She there shall dress a sweeter sod  
Than Fancy's feet have ever trod.

By fairy hands their knell is rung,  
By forms unseen their dirge is sung:  
There Honour comes, a pilgrim gray,  
To bless the turf that wraps their clay;  
And Freedom shall awhile repair  
To dwell a weeping hermit there.

—William Collins.

#### BUYS IN HUBBARD WOODS

Joseph Raible, secretary of the Lloyd Thomas company, appraisers, at 4411 East Ravenswood avenue, Chicago, has purchased through the office of McGuire and Orr, 541 Lincoln avenue, Winnetka, the beautiful new home built by Gust Lindahl at 1045 Tower road, Hubbard Woods, which they will occupy early in June.

#### OPENS NEW SWIM POOL

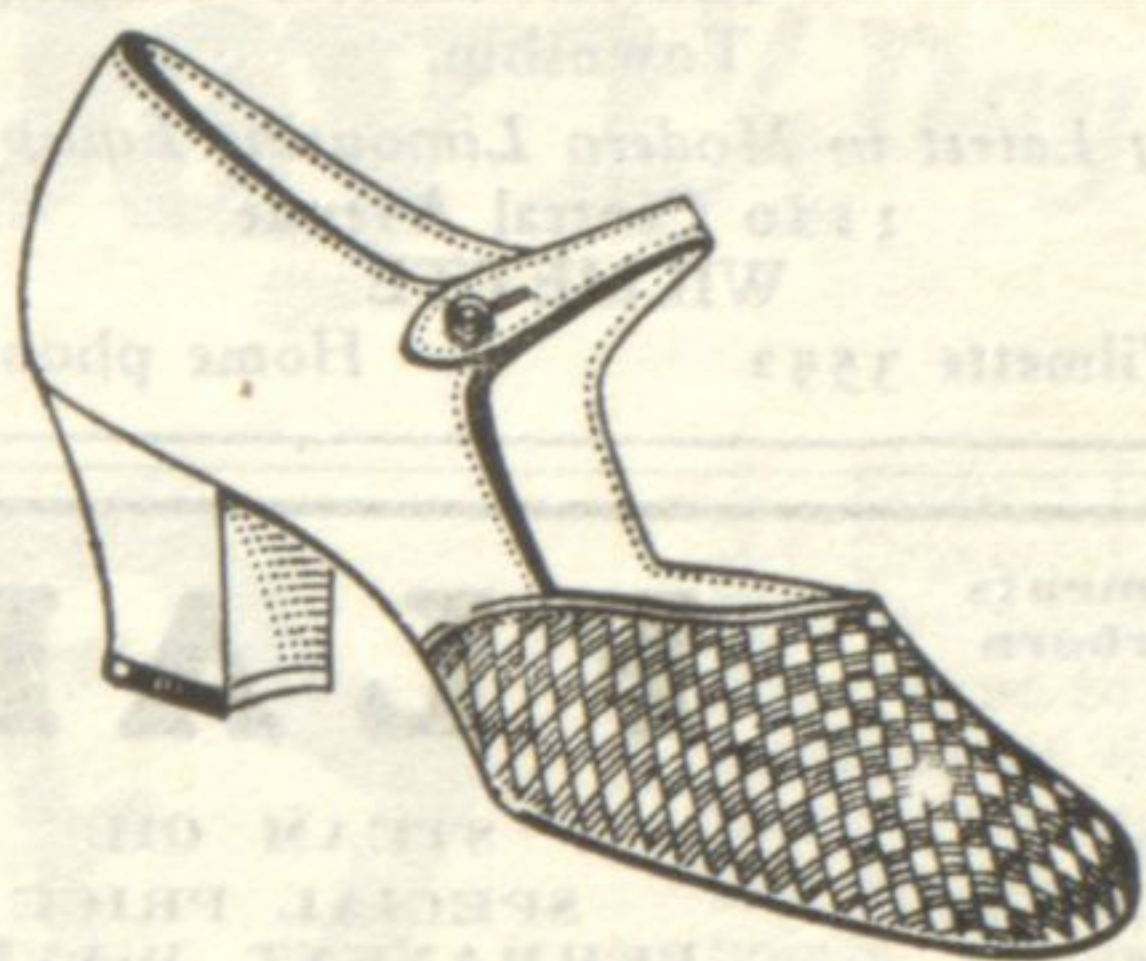

David Clark Leach, 1417 Forest avenue, Wilmette swimming instructor of the Union League club, was in charge of the exhibition swimming in the club's new pool, in conjunction with the dedication of the new building last week. A reception was tendered the Chicago Athletic club's national champion water polo team.
