\$100,000 Endowment for N. U. Music School

A \$100,000 endowment for teaching church music in the School of Music of Northwestern university was announced by President Walter Dill Scott at the close of the North Shore festival Tuesday night. The endowment is made by the Carnegie corporation and is regarded as a signal recognition of Dean Peter Christian Lutkin of the School of Music.

The fund provides for a chair in church music in the school. This department is to be under the direction of Dean Lutkin. It will coordinate courses already taught in the school, and make possible new ones. The history of church music, community singing and the relation of music to religion will be among the courses to be taught.

Still Time to Register for C. M. T. Camps

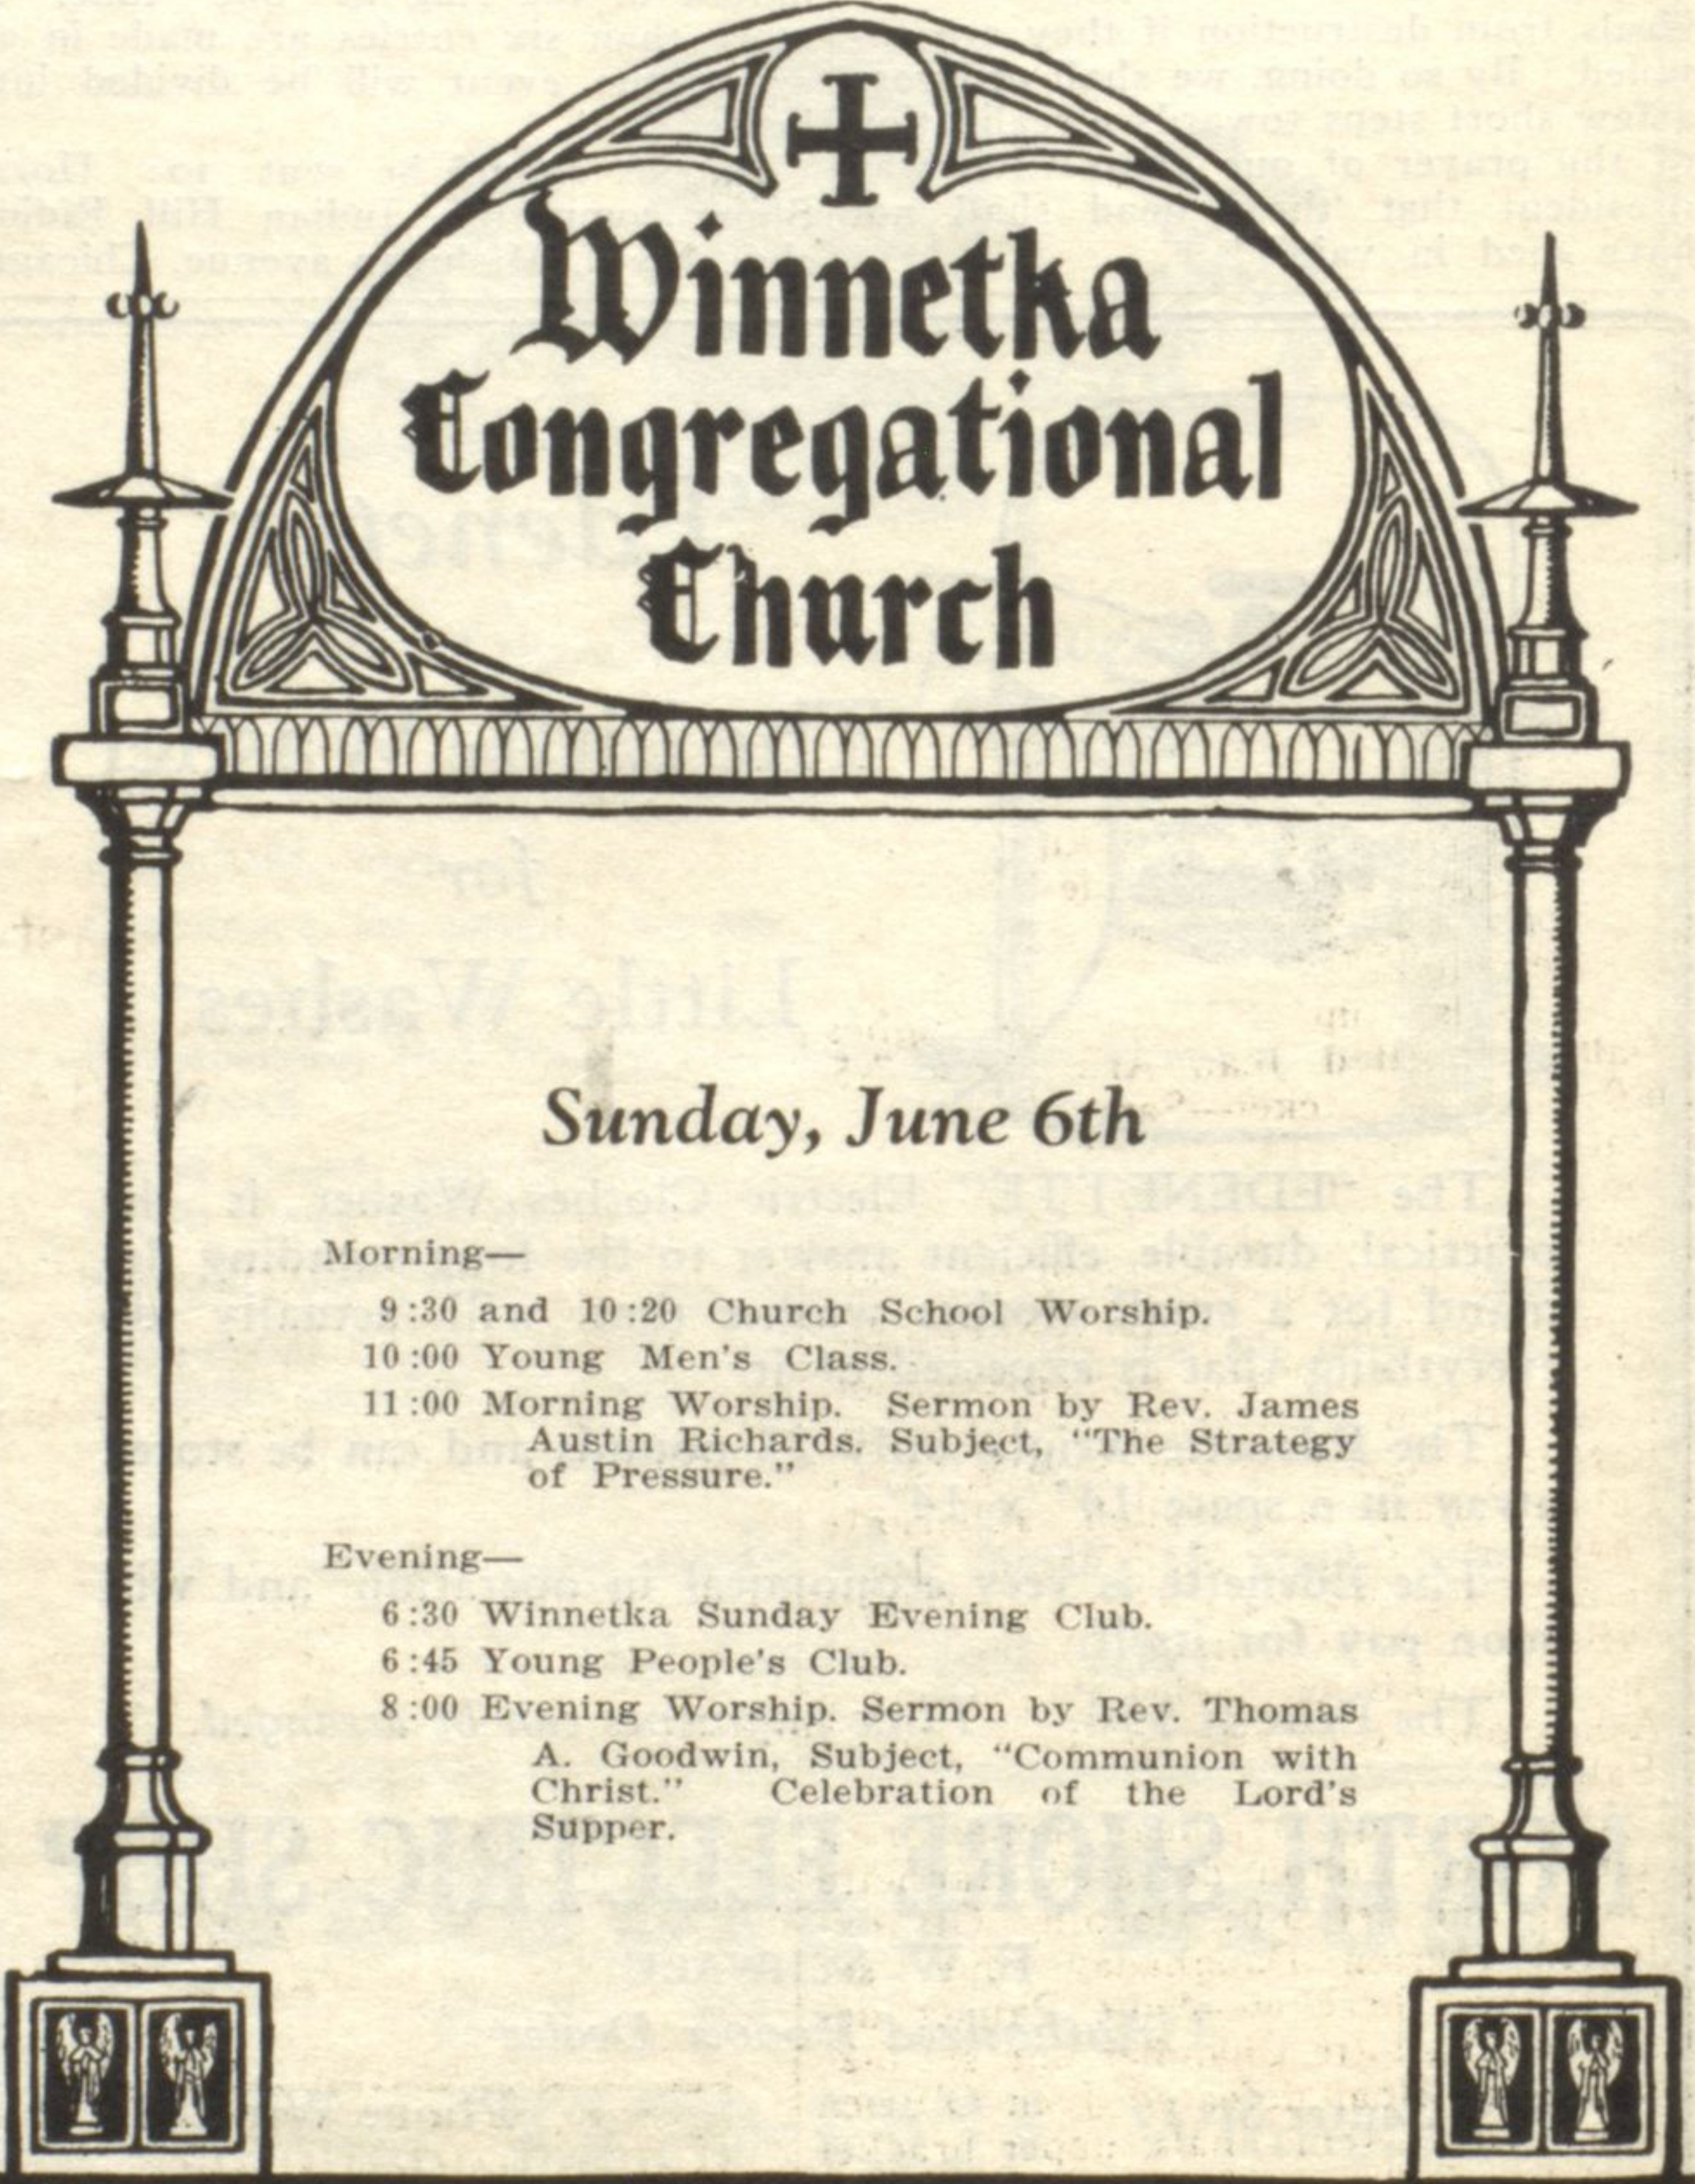

Maj. Gen. William S. Graves, the commanding general of the Sixth Corps Area, with headquarters at 1819 West Pershing road, Chicago, announces that 4,200 formal applications for the 1926 C. M. T. camps to be held at Camp Custer, Mich., Fort Brady, Mich., Camp Sparta, Wis., Fort Sheridan, Ill., Jefferson Barracks, Mo., and Fort Snelling, Minn., had been received at corps area headquarters.

General Graves, in discussing the 1926 Citizens' Military Training camps, stated that the cold weather this spring had made enrollment for the camps slow and that there still were vacancies for young men between 17 and 24 years of age of good moral character and physically qualified to be accepted for training in the camps.

The first camps to be held in the corps area open at Camp Custer, Mich., Camp Sparta, Wis., and Jefferson Barracks, Mo., on July 8, and young men who are interested in availing themselves of the privileges of attending a summer camp where the government pays all the necessary expenses should make applications to attend now.

Application blanks and any information desired will be furnished upon request to General Graves' headquarters at 1819 West Pershing road, Chicago.

Henry Taylor, Jr., 431 Essex road, Kenilworth, who has been visiting his son-in-law and daughter, Mr. and Mrs. Frank A. Gerould of Ardmore, Pa., is returning to his home today. Mrs. Taylor will stay with her daughter two weeks longer.
