

## N. K. E. COLLEGE HAS CLOSING CEREMONIES

### Dedication of Harrison Hall Inaugurates Annual Commencement Season at School

The Commencement Carnival of the National Kindergarten and Elementary college, to be held this evening is the first event of the Home-Coming week with which the college is celebrating its fortieth anniversary and the dedication of its new building, Harrison hall.

One hundred and fifty of the students graduating in June or during the summer session will take part in the carnival, a joyous, care-free revel upon the stage of the new auditorium. Miss Olive Widdowson of Evanston who, as Demeter, thrilled the audience at last year's festival "Persephone," will take the leading part in the gypsy dance with which the carnival opens.

#### Alumnae Celebrate

Alumnae day, Saturday, June 5, promises to be an outstanding event in the annals of the Alumnae association, as every graduate is deeply interested in the success of the building project and eager to see the result as expressed in Harrison hall and Marienthal. In addition to local alumnae and individual graduates from near and far, the California, Omaha, Twin City, Detroit and Evansville chapters have promised to send representatives to the Home-Coming, and class reunions dating back to the early nineties are being arranged.

Following the business session at 10:30, at which Mrs. Charles Lloyd of Evanston, president of the National Alumnae association, will preside, there will be an address by Dr. Smiley Blanton, director of the Child Guidance Clinic of the Board of Education, Minneapolis, Minn., and a group of songs by Miss Marion Alice McAfee of Evanston.

The alumnae luncheon and class reunions will be held in Marienthal, and the students of the Junior class will be the guests of the Association at this time. Former class songs and yells are being revived, and an exhibit of photographs of classes and individuals, dating from 1896, promises to be an interesting part of the entertainment.

#### Dedicate Harrison Hall

The dedication of Harrison hall and the baccalaureate service will be held at 4, Sunday afternoon, June 6. Merritt Starr of Winnetka, president of the Board of Trustees, will preside, and Bishop Edwin H. Hughes, resident bishop of the Methodist Episcopal church, will preach the baccalaureate sermon and conduct the service of dedication.

The building is dedicated in honor of Elizabeth Harrison, who founded the college in 1886 and is now president emerita of the institution. President Edna Dean Baker, who has carried on Miss Harrison's work since 1920, will present the building for dedication.

#### President's Reception

The President's reception will be held in Harrison hall Monday evening, June 7, and Tuesday afternoon the annual Children's Frolic, given by the students for the children in mission schools directed by the seniors will be held on the campus west of the college. Through the courtesy of the north shore alumnae, an automobile trip along the north shore and a picnic supper on the Wilmette beach have been planned for Tuesday morning and evening.

The fortieth annual commencement will be held in Harrison hall Wednesday afternoon June 9. The commencement address will be given by Horace J. Bridges, leader of the Chicago Ethical society, and diplomas will be presented to 130 students graduating from the two and three year courses.

## Tom Hay & Son Handle Pierce Arrow Motors

The Pierce-Arrow Motor Car company has selected Tom Hay and Son, Inc., as its north shore representative. General Manager Meyer of Tom Hay and Son stated: "We decided that if we were going to take on another line of automobiles along with the Chandler and Cleveland, which cars have, since our opening, proved to us that automobile owners on the north shore want the best, there was only one car which we could consider, and that was the Pierce-Arrow. North shore owners of Pierce-Arrows, we feel, will appreciate the service that will be rendered by Tom Hay and Son. There is no doubt that we will in a very short time have to move into larger quarters as the business is growing so rapidly that we soon will not be able to give our "Tom Hay and Son" brand of service in our present location.

"Along with a complete line of Chandler and Cleveland cars we will at all times carry a representative line, both of the 30 and 80 Pierce-Arrows."
