

A Chrysler For Graduation

The Always-to-be-Remembered Climax of Student Days

It is nearing Graduation Day—the day which takes rank among the most important in the life of your daughter or your son.

And father and mother can exceed even the fondest hopes of the children by the gift of a Chrysler.

No other gift can stir such a grateful tumult in the heart of the graduate. No other gift will be recalled with such happiness and satisfaction in those later years when time has surrounded even with greater enchantment and charm the memories of this most glorious of days.

For what school or college girl and boy has not been enraptured by Chrysler's combination of dashing appearance and superlative performance?

Fleet and agile—economical and compact—safe and easy to handle—of enduring worth and proved long life—little wonder that the verve and sparkle and stability of its incomparable results so thoroughly satisfy and vivacious demands of younger America.
