Dickinson, Jr., vice president; William L. Carden, executive officer; Sanborn Hale, treasurer and Pierre Bouscaren, secretary.

The Winnetka Rifle club is to be affiliated with the National Rifle Association of America, a nation-wide organization of civilian shooters. The purpose of this association is to encourage rifle and pistol shooting both as a sport, and as a means of national defense.

Application for a charter has been made to the National Rifle association and the club is already getting under way. Among the many advantages realized from affiliation with the National Rifle association, are permission to use the government rifle range at Fort Sheridan, equipment for fitting out both an indoor and an outdoor range, government issue of rifles and ammunition and the ability to buy equipment at government prices.

Much interest has already been shown. Anyone interested in rifle or pistol shooting and desiring to become a member, may apply to Pierre Bouscaren, the club secretary, 646 Prospect avenue, Winnetka.
