Legion Calls to Next Meeting Monday June 14

The regular meeting of Winnetka Post, No. 10, of the American Legion will be held Monday evening, June 14, in the Legion room at Community House. No special entertainment has been provided for that evening, it is announced, but much of the usual spontaneous variety may be expected. A number of important business matters will be brought before the Post.

The small arms and other war trophies applied for to the War department by the Winnetka Post have been received and will be shown to the members for the first time Monday night. These, together with the cannon received some time ago, have been given to the Village of Winnetka and have been accepted by the Village council on condition that the cannon be placed in public grounds or in a memorial building and the small arms in the custody of the Legion.

Boyden Elected Head of Chicago Bar Association

Attorney William C. Boyden, 725 Pine street, was elected president of the Chicago Bar association at the annual election of officers held by that body on Wednesday of this week. Mr. Boyden is a member of the law firm of Fisher, Boyden, Kales and Bell, with offices at 134 South La Salle street, Chicago. He received 1,490 votes, almost three times as many as his nearest opponent. Mr. Boyden succeeds Russell Whitman, last year's president.

Confer Degree of D. D. on Rev. J. A. Richards

At the graduating exercises of the Chicago Theological seminary the honorary degree of Doctor of Divinity was conferred on the Rev. James A. Richards, of Winnetka, and the Rev. Robert J. Locke, of Urbana, Ill.

"James Austin Richards, scholar and preacher, you have given distinguished service in the leadership of a community church; you have provided through your pulpit ministry inspiration and guidance to a wide and varied society; in recognition of this achievement the Board of Directors of the Chicago Theological Seminary confers upon you the degree of Doctor of Divinity."

In those words Dr. Ozora S. Davis, president of the seminary presented a certificate carrying all the honors of the doctor's degree to Mr. Richards and the hood was placed upon him. This was Doctor Richards honored.

"This is also an honor to the church which he serves and the community in which he lives," comments one of the members of the Winnetka Congregational church. "All rejoice with him in this honor and extend to him hearty congratulations in that his ability and service have been so recognized by an institution of such high standing."

Announce Special Golf Events for Playfield Patrons

An enterprising program of special events for the Winnetka Playfield golf course was announced by W. S. King, chairman of the tournament committee of the Winnetka Playfield association, at a meeting of that organization at the Community House last Tuesday evening.

Among other special events scheduled for the month of June there will be the annual costume tournament. There will also be two ball mixed foursomes every Sunday afternoon. Well known professionals will be secured to stage exhibitions with local men during the summer, it was said.

Much interest has been shown in the twilight golf, between 6 o'clock in the evening and dark, when members play 18 holes in competition. The course is in excellent shape this year and a record attendance is expected.

There is a new ruling that at the short holes players step aside and let those following them drive for the green. Those in the lead then putt while the others are walking up. Players are warned to be careful about replacing turf, as directors of the association are on the look-out to see that this is done. Association dues are now payable, it was said, and no one will be allowed to play on the course without the tag.

VACATION SCHOOL JUNE 28

Christ Church will hold a Daily Vacation Church school again this summer, beginning Monday, June 28, at the Parish house. School will be held five mornings a week from 9 until 12 o'clock. There will be three departments—kindergarten, for children 4 and 5 years of age; primary—for children 6 to 9 years old, inclusive; and junior—for children 10 and 11 years old. Further information can be secured from Miss Holgate, at the Parish House, telephone Winnetka 884.

Residents Respond to Park Board's Appeal

There has been a heartening and gratifying response of the residents of Winnetka to the plan of the Park board for financing the improved facilities and equipment of the two beaches for this season, it is explained.

It is hoped by the board that more will co-operate in this effort before June 15 when the beaches open and the increased personnel and equipment are required.
