IF a dealer doesn't pay as much for other Ice Cream as he would have to pay for Hydrox, why should he charge as much?

Some dealers don't. They buy a cheaper product and offer it at a lower price. That's fair enough.

Other dealers do. They pay less and charge you the same. That's no fair.

Hydrox Ice Cream is made with far more pure cream than the State Food Law requires. And pure cream costs money.

If your dealer won't put in Hydrox, then—
