### "Lucky Seventh" Brings Victory to Winnetkans

Winnetka's baseball team defeated the Waukegan colored nine last Sunday, 10 to 3. The Winnetkans were held scoreless until the seventh inning, when several hits, combined with an error and two bases on balls, netted seven runs. Outstanding stars for Winnetka were Smith, the hurler, who struck out nine men and collected three hits; Waidler and Dahl, who did some effective stick work. Tomorrow Winnetka plays the strong Drexel Maroons of Chicago. This promises to be an exceptionally close game as the locals defeated the Maroons last year by an eleventh inning rally. The game will be played on the Playfield diamond and all baseball enthusiasts are urged to put in an attendance.

### Lower Grades Give Closing Exercises of School Season

The commencement of the lower school in the North Shore Country Day school was held Wednesday of this week. The kindergarten, first and fourth grades of school closed directly after their commencement exercises. The fifth grade was dismissed on Thursday and the sixth grade on Friday.

Wednesday, likewise, was the date of the annual upper school luncheon. The entire upper school, together with the alumni and the parents of the members of the senior class, assembled in the lunch room where a luncheon was served them by members of the lower grades.

Following a few speeches and formal presentations of gifts symbolizing the thought of various classes and the responsibility now passed on by the seniors, the entire group repaired to the girls' gymnasium where the annual program of surprise stunts was presented by the various classes.

There were any number of clever take-offs or burlesques, and a thoroughly artistic, if somewhat uproarious presentation of the Pyramus and Thisbe scene from Shakespeare's "Mid Summer's Night Dream."

### TAKES HIKING TRIP

Helen Hamilton, daughter of Mr. and Mrs. John Leonard Hamilton, 412 Walnut street, left June 10, for a two weeks' hiking trip in the Adirondack mountains. Miss Hamilton will meet a friend at Eagle Bay, N. Y., and hike from that point. Miss Hamilton has been doing Girl Reserve work this past year under the direction of the Y. M. C. A. in Chicago. She will attend the Y. W. C. A. summer camp in southern Illinois later in the summer.

Mr. and Mrs. Thomas H. McInerney, Wynwood lane, Winnetka, entertained Mr. and Mrs. Horace J. Bridges, and Judge and Mrs. Thomas Taylor of Chicago, at dinner Tuesday evening, June 15.
