## LEE Says:

THIS is the month OF roses and June BRIDES—particularly JUNE brides—and at THIS time we think IT'S entirely fitting AND proper that we SHOULD offer a little SUGGESTION or two TO the Winnetka BRIDES— STATISTICS show that ICE cream purchases BY young husbands DECREASE alarmingly AFTER marriage, which SHOWS that brides are INCLINED to be very LAX in discipline. WE urge you, therefore, TO make it an absolute RULE from the very START that your HUSBANDS are to bring YOU regularly to our SODA fountain and TREAT you exactly as HE did before the WEDDING. STAND up for your RIGHTS—and remember, WE serve LUICK'S ICE cream!

We Serve
