

Bride and Groom Are Honeymooning in North Carolina

The marriage of Miss Constance Hannah to Samuel Ross took place Thursday evening, at the home of the bride's parents, Mr. and Mrs. A. W. Hannah, 256 Woodstock place, Kenilworth. Arches of smilax framed the doorways, and large bouquets of pink peonies, pink roses, gladioli, snap dragons and larkspur provided a summery touch of blending color. The ceremony was performed by Mgr. Kelley on the west porch, which was transformed into a bower of foliage and pink flowers.

The bride's attendants, Miss Elizabeth Hannah, the maid of honor, and Miss Mary Hannah and Miss Emilie Ross, the bridesmaids, were dressed in pink taffeta of varying shades, embroidered with clusters of flowers in the front of the tight bodice and on each side of the long, full skirt.

The bride was charming in her gown of white satin made in colonial style. White tulle formed her veil and train. Mrs. Don Bierwert, organist at the Church of the Holy Comforter, played the piano and Mrs. Murdock was the violinist. The bride and groom are spending their honeymoon in Asheville, N. C.

Mrs. Arhense Dennis of Tower road gave a delightful luncheon and bridge for twenty-five friends Friday, June 18. It really was a "Lewis reunion," as a number of her guests at one time or another attended Lewis institute. Among these alumnae were: Mrs. Roy Edwards, Mrs. Bruce Davey, Mrs. Walter Benson, Miss Henrietta Menzel, Mrs. Theodore Coyne, Mrs. John Forbes and Mrs. Dennis.

GIVES WELLESLEY TEA

Members of the Chicago Wellesley club are invited to a tea to be given by Mrs. William Sherman Hay, Monday afternoon, June 28, at 3, at her residence, 645 Sheridan road, Winnetka, in honor of Mrs. Frederick G. Atkinson, newly elected alumnae trustee of Wellesley college.

Glass Throwing Constant Annoyance to Motorists

The drivers who man the mechanical first aid fleet of the Chicago Motor club make a business of picking up glass wherever it is found on the streets. These drivers report that this year there seems to be an epidemic of glass throwing.

"This condition may be the result of carelessness or of deliberate mischief," says Charles M. Hayes, president of the club, "and it is not by any means confined to Chicago. Branch managers for the club in many of the thirty-eight counties in Illinois and the seven counties in Indiana comprising the territory of the club report a similar condition in their territories.

"The damage done amounts to thousands of dollars daily, and motorists want some protection against the deliberate or careless glass thrower.

"Several years ago, a law sponsored by the club was enacted by the Illinois state legislature making the deliberate throwing of glass a misdemeanor punishable with a fine of twenty-five dollars. A few arrests and fines should have a salutary effect upon glass scattering persons."
