

Independence

WHEN the Declaration of Independence was signed in 1776 a new nation conceived in liberty was born. Today it is the greatest nation. Its power, its wealth, its progress are due to the genius and thrift of its people.

When you open a savings account here you make a Declaration of Personal Independence that will bring you power, success and happiness. Do it now—tomorrow never comes.

LEE Says:

SUMMER days bring VACATIONS and golf AND freckles and PERSPIRATION and SUNBURN, and many other THINGS both pleasant AND unpleasant— BUT what we started OUT to say was that FROM now on until THE frost is on the PUMPKIN again, we'll BE supplying a strong DEMAND from Winnetka PEOPLE for toilet GOODS of various kinds— TALCUMS, for instance, AND lotions, toilet WATERS, perfumes, soaps, FACE powders, and the LIKE. WE have studied the PREFERENCES of Winnetka LADIES pretty closely ON these summer needs AND we know we can PLEASE you—we handle THE Arden line of COSMETICS, you know, AND we don't believe YOU can find their EQUAL anywhere.
