**Beauty Lies in Healthy EYES**

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with *Murine*. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

**Q** "In Lake Geneva the other day", relates William Hodge, Advertising Manager of H. M. Byllesby & Co., "I asked the best way back to Chicago, and was directed to the North Shore Line. There they sold me a through ticket. I took a comfortable seat in the big motor coach, became interested in the scenery, and before I knew it was in Kenosha. I expected we'd lay over there to wait for train connections. But not so. What was my surprise to see a clean, inviting North Shore Line train ready for us. I stepped into the dining car, had a fine meal, and in just about no time we were right down in the Chicago Loop. That's what I call service!"
