

# Gas Fuel Brings Absolute Freedom From Heating Cares

*Automatic  
Gas Heating  
lets the pup  
be your  
furnace  
man*

All work and bother in heating your home are entirely needless. Use gas fuel. A good gas heating plant "needs no more care or attention than a pup can give it."

Gas, at our special house heating rates, when burned with the high efficiency of a good, modern gas heating plant, is well-within-reach of most home owners.

Ask our house heating department to tell you about gas heating for your home. Simply telephone Winnetka 86.
