Saving for a Definite Purpose

WHAT makes Life so worth while is the fact that we have so many things that we eagerly look forward to. Our own home, an automobile, a college education for the children, an extended vacation — all are goals that we direct all activities toward.

With the aid of a definite purpose savings account you can accomplish your end sooner and more surely. And the earlier you start the more immediate the accomplishment.

WINNETKA TRUST *and* SAVINGS BANK

Elm Street  at Center

LEE Says:

ANY time you folks
HERE in Winnetka
WANT to use our
TELEPHONE, I wish
YOU'D come in and
USE it—it's here
FOR your convenience—
ALSO I might say
THAT by special
ARRANGEMENT with the
POST OFFICE Department
WE are now able to
OFFER you beautiful
RED postage stamps
AT the ridiculous
SUM of 2 cents each,
WHICH includes our
PROFIT and overhead!
OUR point is that we
WANT to make the
ADAMS Pharmacy
USEFUL as well as
ORNAMENTAL, and when
YOU'RE out of a stamp
OR you want to talk
TO somebody over the
TELEPHONE, right here
WE are at your service.
