

Your first
keen pride
continues—
when the finish is
DUCO

For the DUCO finish is as durable as armorplate, yet as soft and rich in appearance as velvet! When your car is finished with DUCO, time ceases to age, wear fails to dim the beauty of the finish.

Our shop is fully equipped, our workmen are experts and our workmanship has been approved. We do the work in one-third the time required for old style finishes. Phone or call and let us give you an estimate of the cost and a delivery date.

Let us put DUCO on your car now!

FENDER AND BODY REPAIRING

We not only remove dents—but we repair torn and wrecked fenders and bodies so that all traces of the damage are removed. We also replace broken windshields and window glass.

Now This Boy Knows Winnetka Parking Rules

William B. Kelly, colored, residing at 365 Monroe avenue, Glencoe, made two mistakes in parking when he stopped his car on Lincoln avenue, Winnetka, last Tuesday morning. For one mistake he was fined \$10 and costs.

He left the car in a diagonal position, obstructing traffic, and that first attracted the attention of Officer Harrold C. Lewis, who loitered for a time about the car, awaiting the return of Kelly.

During this vigil, the officer chanced to peer through the sedan window, and behold, there, in plain sight, on the seat, was a bottle half filled with liquor—another violation of parking rules.

Chief of police W. M. Peterson was summoned and had arrived when Kelly returned. The latter was taken to the station and when arraigned before Judge C. T. Northrop, entered a plea of guilty to transporting liquor on the public highway, for which the fine was assessed.

All Pies in Truck Are Mince After This Crash

A Case and Martin company pie truck driven by C. A. Roe, of 2518 Moffet street, Chicago, and a Haynes sedan driven by F. E. Richmond, of 1808 Kenilworth avenue, collided at Maple avenue and Fourth street, Wilmette, Monday morning about 7 o'clock.

Both truck and car were hurled to the parkway at the northwest corner of the intersection and both were seriously damaged. Neither of the drivers was hurt. Richmond was driving west on Maple avenue and the truck was coming from the south. The latter was loaded with freshly baked pies, of various varieties, for the north shore customers of the company. After the crash, the only kind of a pie Roe was able to find in his truck, was "mince."

Hubbard Woods Company Supplies Stadium Lumber

Many people have been watching with interest the construction work now in progress on the Northwestern university stadium and have commented on the unusual amount of lumber required for this work. It is interesting to know that one of our north shore firms, the Hubbard Woods Lumber and Coal company, is supplying many thousands of feet of lumber to J. B. French and company, the contractors.

TO GIVE RADIO TALK

"Character Education" is the subject of an address to be given by President Edna Dean Baker of the National Kindergarten and Elementary college, on Monday afternoon, July 19. The address will be given between 4 and 4:30 o'clock over WMAQ, the Daily News broadcasting station. This address is one of a series on Child Training which is being given monthly by the college in connection with the Mothers-in-Council program conducted by the Daily News.

Mr. and Mrs. Arthur Anderson and their family, accompanied by Miss Winifred Odh, have returned to their home at 937 Spruce street after a trip to northern Wisconsin and Michigan. They stayed at Manistee for ten days.

Mr. and Mrs. Nash C. Cazal, and baby, of 860 Pine street, will leave Winnetka Monday, July 19, for a two weeks' trip to La Crosse Lake, Wis. They expect to drive, and to return about August 2.
