### "I Love You Truly" .....

YOU know the song . . . and you know, too, it certainly couldn't have been written to a wash-tub. For those hours make you feel more like weeping than singing. They're so needless too, with our Rough Dry service at hand to help you.

Everything washed . . . everything dried . . . flat work ironed . . . and all at a cost which you'll agree is moderate. And more hours to spend that are really worth while.
