

Children's Frolic Brings Untold Joy to All Spectators

Sunshine and a cool breeze were two of the most welcome guests at the Children's Midsummer Frolic given by the National Kindergarten and Elementary college at Craigie Lea, Glen- coe, last Tuesday afternoon.

Balloons and stories, songs and plays, ice cold lemonade and cunning little elves and brownies combined to make the Frolic a rare delight for many of the children of Evanston and the north shore. The picture of the spacious grounds with the happy, laughing groups of children beneath the great trees will not readily be forgotten by any of the grown-ups who attended, and the floppy tar baby and clever Br'er Rabbit, the strutting cock with his gallant "Cock-a-doodle doo," the hound and the braying donkey and the Little Old Woman and her troublesome pig are friends for life of every boy and girl who watched them that afternoon.

Miss Harriet Ling, Miss Mary Saxe and Miss Elizabeth Peabody of Evanston and Miss Gladys Huntley of Wilmette were included in the cast of twenty-two summer students who presented the plays under the direction of Miss Margaret Farrar, Miss Willmina Townes and Miss Laura Hooper.

Alumnae and friends of the college took charge of the sale of tickets for the Frolic in the various centers: Miss Anna Murray in Evanston, Mrs. Percy Arden and Mrs. C. P. Dubbs in Wilmette, Mrs. Theodore J. Coyne in Winnetka and Miss Ethel Parry in Glencoe.

The afternoon's entertainment was given under the auspices of the alumnae and members of the equipment committee of the governing board and proceeds will be used in the furnishing and equipment of the auditorium and gymnasium of Harrison hall. The success of the Frolic was largely due to the contribution of the grounds of Craigie Lea by Mrs. Andrew Mac-Leish, and to the time and effort contributed by alumnae and friends and by the summer school students, who, in addition to costuming and presenting the plays, made the attractive favors sold to the children.

Mrs. Charles C. Prest, who was the guest of her sister, Mrs. William B. Dale of 519 Ash street, for a month, returned to Hollywood Friday of last week.

Mr. and Mrs. S. P. Gresham of Louisville, Ky., arrived Wednesday to spend a few days as the guests of Mr. and Mrs. G. A. Watson of 928 Pine street.

The Standard of Quality in Brick

THERE is the same difference in the quality of Face Bricks that you find in all other manufactured products. The care and skill that the manufacturer puts into the product is reflected in its quality.

For more than half a century the Hydraulic-Press Brick Company has been building the reputation for quality which Hy-tex Brick enjoys today. And, quality considered, you will always find Hy-tex prices fair.

Visitors are always welcome to our Exhibit Rooms where all colors and textures of beautiful Hy-tex Brick are on display.
