

A State Bank

When You Are Under Discussion

IF you are in business you are discussed at various times by other men—business men. That is a good reason for doing your banking business with an institution whose name will add credit to your own.

When you write a check on us, you not only enjoy a superior financial service but associate yourself with a bank with a long record of honorable service.

LEE Says:

A stranger came
INTO the store here
YESTERDAY and ordered a
MALTED milk at our
FOUNTAIN.
HE drank it slowly
AND then said,
 "GOSH, that's good!"
AND much as I hate to
BRAG, I think it's
ONLY fair to say that
WE do make a regular
WHIZ of a malted
MILK—rich, creamy,
DELICIOUSLY flavored
AND as nourishing as
ANY two-dollar dinner
YOU ever ate—
AS a matter of fact,
WE have regular
MALTED milk customers
WHO "lunch" with us
AT noon time, and
THEY leave with
HUNGER satisfied, eyes
SPARKLING, and disposition
SWEETENED for the
AFTERNOON'S work—
JUST try it!
