

## WINNETKA WATER FETE DRAWS LARGE CROWD

**Fifth Annual Carnival Is Held at Beach Under Direction of Tom Robinson**

Winnetka's fifth annual water carnival, held at the beach last Sunday, was a great success. A large crowd turned out to watch the events and everything was run off smoothly and on schedule. The big new silver cup which was offered as a prize to the team winning the relay race was captured by Winnetka—no other team entering. So that there would be a race a second team from the village was formed to race the regular team, but the latter won easily. It is hoped that next year teams from the other north shore villages will compete in this event.

Results of the races were as follows: ten yard race for boys 6 to 8 years—S. Wilder, first; John Rice, second; ten yard race for girls—Vivian Rice, first; fifteen yard race for boys 8 to 10 years—Whitlock Duncan, first; Sturges Lockridge, second; Grant Ehrlick, third; fifteen yard race for girls 8 to 10 years—Ruth Friedman, first; June Thrall, second; June Maudland third; twenty yard race for boys ten to twelve years—Bill Thrall, first; Teddy Wilder, second; Carl Romper, third.

Twenty yard race for girls 10 to 12 years—Jean Robinson, first; Helen Jane Sawhill, second; Katherine French, third; forty yard race for boys 12 to 15 years—Norman Roos, first; Norman Sommers, second; Bill Thrall, third; forty yard race for girls 12 to 15 years—Helen Smith, first; Helen Gerlack, second; Phyllis Dally, third.

### Many Events On Program

Fifty yard breast stroke race for girls 15 years and up—Nancy Wilder, first; Virginia Ambug, second; Phyllis Dally, third; one hundred yard breast stroke race for boys 15 years and up—Ralph Heineman, first; Jack Cassard, second; Arnold Thorsen, third.

One hundred yard back stroke for boys—Ed Lang, first; George Veeder, second; Jack Cassard, third; twenty yard tub race for boys—Willard Lockridge, first; Sturgis B. Lockridge, second; twenty yard tub race for girls—Virginia Klockfer, first; Vivian Rice, second; Alice Altschul, third; duck race—Michael Conny, first; relay race for boys—H. Lang, E. Lang G. Veeder, and H. Anderson, first; A. Miller, A. Thorsen, R. Heineman, and L. Davis, second.

Plunge for girls—Nancy Wilder, first; Phyllis Dally, second; Helen Gerlach, third; plunge for boys—Willard Sommers, first; Richard Prouty, second; Norman Sommers, third; greased pole—Willard Sommers, first; diving for boys—A. Thorsen, first; E. Lang, second; Jack Melven, third; diving for girls—Helen Smith, first; Winifred Dewar, second; Helen Gerlach, third; 213 yard race for girls—Martha Etbach, first; Dorothy Lewis, second; Helen Gerlach, third; 213 yard race for boys—Bud Lang, first; G. Veeder, second; R. Heineman, third; push ball—south side.

### GET IN THE PARADE

Every automobile in Winnetka is eligible to enter the Winnetka Day parade, whether it is a passenger car or a truck, and whether it is owned by a business man or a resident. Prizes are to be awarded to owners of Winnetka cars that in the eyes of the judges are most fittingly decorated.

## H. A. LINDWALL DIES

**Well Known Founder of Winnetka Upholstering Business Victim of Paralytic Stroke Sunday**

H. A. Lindwall for more than thirty years a resident of Winnetka, died Sunday morning at 6:30 o'clock at his residence, 1020 Oak street, as the result of a stroke of paralysis which he suffered at 12:30 that morning.

Mr. Lindwall had been in declining health for more than a year, but his condition had not been considered particularly alarming and his sudden death came as a great shock to his family and friends.

Mr. Lindwall was 61 years old. He was born in Malmo, Sweden, May 24, 1865, coming to this country while still in his youth. He spent his life in the upholstering business first in Chicago, and during his 33 years residence, in Winnetka, his place of business being at 808 Oak street.

Mrs. Lindwall preceded her husband in death five years ago. Five children survive. The only son, Gustav, is associated in the business which his father founded, as is also one daughter, Lillian. Two daughters, Anna and Hermina, are with the Winnetka Trust and Savings bank. The other daughter, Edith, is at home. A sister, Matilda Lindwall lives at the brother's residence on Oak street and another sister, Mrs. Lars Anderson, resides at 1026 Oak street.

Funeral services were conducted from the residence Tuesday afternoon at 2 o'clock by the Rev. E. Ashley Gerhard, rector of Christ church. Burial was at Memorial Park cemetery.

## Omit Morning Services at Scandinavian Church

There will be no morning services of any kind at the Scandinavian Evangelical church, Sunday. The young people's meeting will be at 5 o'clock and at 8 o'clock Dr. Sterling, of the Hebrew Mission, of Chicago, will speak.

Wednesday evening, August 18, at 8:15 o'clock the Rev. Frank Anderson of the Swedish Free church, Summerdale, will speak in the Swedish language, and on Thursday evening, at 8 o'clock, the Ladies' Aid society of the church will meet at the home of Mrs. S. Samuelson, 901 Tower road.

## Winnetkans Take Honors in Westmoreland Event

Four Winnetka golfers walked off with the low net foursome at Westmoreland, in the Tam O'Shanter invitation tournament, held Wednesday and Thursday, August 4 and 5.

Fred T. Richardson, Jr., 261 Scott avenue, Glencoe, represented Medinah Country club; G. D. Owsley, Indian Hill club; Ralph M. Melin, Westmoreland, and Elmer Nelson, Skokie Playfield.

With a low score of 585 for thirty-six holes, brought them prizes of cowhide traveling grips. Equipped with lovely yellow grips, there is no telling where these four will travel now.

Miss Louise Klauke, 1152 Scott avenue, accompanied by Miss Helen McNi, of Highland Park, will leave Sunday, August 15, for a month's trip through the West. On their way they will stop at the Grand Canyon in Colorado and spend some time in California. Returning, they will take the northern route through the Canadian Rockies.

## Announce Winnetka Day Parade Line-of-March

The Winnetka Day procession line-of-march Thursday morning, August 19, has been officially announced as follows:

South on Linden street to Hill road; east on Hill to Church road; south on Church road to Winnetka avenue; east on Winnetka avenue to Woodland avenue; north on Woodland to Willow street; west on Willow to Walnut street; north on Walnut to Elm street; west on Elm to Lincoln avenue; north on Lincoln to Tower road; west on Tower to Green Bay road; north on Green Bay to Fairview avenue; east on Fairview to Greenleaf avenue (Glencoe); north on Greenleaf to Park avenue; west on Park to Vernon avenue; south on Vernon to Scott avenue (Hubbard Woods); east on Scott to Linden avenue; south on Linden to Tower road; east on Tower road to Center; south on Center to Elm street; west on Elm to West End park, and the picnic grounds.

## Leading Business Men to Supervise Community Holiday

Members of the Winnetka Chamber of Commerce who have been supervising the arrangements for annual Winnetka Day as chairmen of the various committees are:

General committee: T. J. Lynch, W. T. Wersted, George Park, A. J. Pullom, R. W. Rapp and B. G. Eberle.

Parade, W. T. Wersted; prizes, A. J. Pullom; refreshments, R. W. Rapp; music and entertainment, A. Lee Adams; races, R. H. Schell; dance, Herbert Paulson; decorating, P. I. Johansen; horseshoe, William Rapp; speakers, Rev. E. Ashley Gerhard; grounds, H. L. Woolhiser; Publicity, Lloyd Hollister; transportation, Gus Erikson; baseball, Fred Eckart; holiday, Phil Braum; finance, Earl Weinstock.

Bert W. Blow, who was named general chairman for Winnetka Day, has been unable to take active charge of arrangements because of illness. He has been in Denver, Colo., since early in June when he went to the western city to attend the convention of Rotary International. While in Denver he became seriously ill and was for a time confined in a hospital there. He is still in Denver, stopping at Colburn's hotel.

## New Turbine Is Put in Service at Light Plant

The new 2,000 K. W. turbine at the Village electric light plant was placed in service last Wednesday. The construction of this addition to the equipment has been in progress since February.

Westinghouse engineers were on hand in starting the new unit and no serious difficulties were experienced in placing it in running order. The capacity of this turbine will be sufficient to take care of the maximum requirements of the village for the next five years, according to Village Manager H. L. Woolhiser.

The total estimated cost of the installation is \$65,000. The foundation was designed by H. C. Carton of Windes and March, village engineers, and built by Paul Reske and James Laing. Installation work was under the direct supervision of Henry Christiansen, superintendent of the electric plant, and the electrical work, including the switchboard, was installed by the distribution department of the village with Harold Bohnen in charge.

## WAR AGAINST SKEETER FAVORABLE IN VILLAGE

**Abatement Work Brings Appreciable Results: Committee Renews Appeal for Funds**

In most parts of Winnetka within the last couple of weeks there has been noted a considerable reduction in the number of mosquitoes present, although their elimination is far from complete, according to word received by Howard C. Phillips of the Winnetka Mosquito Abatement committee.

As far as can be found, there is practically no breeding within the village limits and certain sections of the village, such as the southeast section, seem to be very free from mosquitoes, but they are still quite plentiful in the southwest and north sections. The Sanitary district started work on dynamiting the channel of the Skokie about a week ago, and is making fairly good progress in the vicinity of the Wilmette Golf club, but has not yet reached as far north as Winnetka with their work.

The force of men working under the direction of Village Manager Woolhiser, with the assistance of an inspecting engineer, furnished by the state department of public health at the request of the Mosquito Abatement committee, has been busy in oiling a great many places where mosquito breeding was otherwise very probable.

### Meadow Lands Source

The main source of the mosquitoes in Winnetka is still apparently the areas of meadow lands where rain water is present from time to time in the Skokie valley west of town and it is hoped that this condition may be remedied in part by the work in progress by the Sanitary district.

The expense of the efforts being made to keep the village clear of mosquitoes is borne by voluntary contributions from the residents. So far this year there have been 453 contributions, with an average slightly over \$5 each. Of these less than seventy-five contributions were of \$10 and over, so it will be seen that the response, while very creditable and quite general, has not been as great as the committee had hoped for in order to carry out its plans successfully, and it is still hoped that those who have not subscribed and care to do so may send contributions in any convenient amount to the Mosquito Abatement fund in care of the Village Manager, in order that the work may be continued throughout the present season.

Village residents can also be of assistance if they will notify the Village Manager's office promptly of any sudden increase in the mosquitoes in their vicinity.

## Miss Emma Bosse Dies; Victim of Appendicitis

The death of Miss Emma Bosse, 556 Center street, Winnetka, occurred Thursday, August 5. The services, conducted by the Rev. Thomas A. Goodwin, took place Saturday afternoon. Burial was at Memorial park.

Miss Bosse had recovered from a major operation, but following that, she was stricken with appendicitis, the effects of which caused her death.

Miss Bosse lived and worked in Winnetka several years, and those who knew her will feel a deep loss in her death. She is survived by a sister living in Michigan.

Mr. and Mrs. F. A. Grambling, who made their home until last May at 1700 Highland avenue, Wilmette, have moved into their new home at 1143 Ash street, Winnetka.
