

ANNOUNCE NEW CLUB

Mission Hills Country Club, Near Northbrook, Will Be One of Best North Shore Courses

North Shore golfers will be interested to learn of a new golf club which is now offering memberships. Nearly all of the officers and directors of the club are residents of the north shore and the club will be unique in many ways.

The Mission Hills Country club will be the name of the new organization. The club is located at Techny and Sanders roads, Northbrook, about six miles west of Glencoe. It can be reached from the north shore by the Dundee road, or by Willow road, Winnetka, which is soon to be paved.

The officers and directors are as follows: C. A. Nash, 222 Tenth street, Wilmette, president; R. H. McElroy, Jr., 704 Sheridan road, Wilmette, vice-president; R. C. Taft, 900 Central avenue, Wilmette, treasurer; L. J. Beauvais, secretary. Directors are G. H. Ackerman, J. F. Caine, W. N. Cornell, 801 Ashland avenue, Wilmette, W. S. King, 146 Bertling lane, Winnetka, Hugo H. Kuhl, 630 Maple avenue, Wilmette, B. W. Lynch, 827 Ashland avenue, Wilmette, J. M. McVoy, F. J. Seng, 435 Lake avenue, Wilmette.

Tell Club's Attractions

Statements regarding the new club by its officials are as follows:

"Perhaps Mission Hills Country club will solve the busy man's problem. He wants a golf course which is near enough to his office yet far enough removed from the din and hurry-scurry of the city.

"Mission Hills Country club is but six miles west of Glencoe. The well-known Dundee road takes you within a few yards of what will soon be the first tee. And, as if to make the new course even more handy, the new Willow road is being made ready with concrete. Straight west from Winnetka it goes, almost running into the Mission Hills property.

"The new club owns 140 acres of land. That's enough for any golf course, especially when the land is of the stuff that the best golf courses are made of. Enough but not too many trees, natural hazards, rich soil, rolling land, eye-catching scenery.

"There will be no dues until 1927. At that time it is expected that members will be able to take turf and replace divots on nine of the eighteen holes. The golf architects have gone over the land carefully. They agree that the soil is ideal for golfing. In fact they go so far as to assert that the entire course will be ready for play next year.

"The present buildings on Mission Hills will be remodeled. They will serve as a temporary club house and serve members' needs through the summer of '27. You can't play golf in a Club house anyway. Good greens, good tees, a promising fairway—that's most important."

Carl D. Kelly, president of the La-Salle Steel company, has purchased the residence of Mrs. Thomas W. Ritchie at 35 Indian Hill road, on the Indian Hill club grounds.

Mr. and Mrs. William Roberts, 1115 Merrill street, have been entertaining as their guests this past week, Mr. and Mrs. Manzel Brown of Toledo, Ohio.

Christian Science Churches

"Spirit" was the subject of the lesson sermon in all Churches of Christ, Scientist, Sunday, August 8.

The golden text was from Galatians 6:8, "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the spirit shall of the spirit reap life everlasting."

Among the citations which comprised the lesson-sermon was the following from the bible: "Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. For, brethren, ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another. For all the law is fulfilled in one word, even in this: 'Thou shalt love thy neighbor as thyself.' This I say then, walk in the spirit, and ye shall not fulfill the lust of the flesh." (Galatians 5:1, 13, 14, 18).

The lesson-sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When what we erroneously term the five physical senses are misdirected they are simply the manifested beliefs of mortal mind, which

affirm that life, substance and intelligence are material, instead of spiritual. These false beliefs and their products constitute the flesh, and the flesh wars against spirit" (p. 274).

Miss Margaret Cobb, daughter of Mr. and Mrs. John C. Cobb, 615 Elm street, will entertain twelve of her little friends at luncheon in honor of her twelfth birthday, Wednesday, August 18.

Mr. and Mrs. Peter Denny, 860 Ash street accompanied by Miss Barbara Rosie and Miss Elizabeth Miller, left Winnetka August 5, on a motor trip to New York. They expect to return August 15.

Mr. and Mrs. J. F. Dammann, Jr., 853 Prospect avenue, have gone to Charlevoix, Mich., to spend the summer. They expect to return sometime in September.
