Smart New Rumble Seat For Sport Roadster

Rumble seats are justly popular. They add a smart, rakish touch to roadster lines, and increase the carrying capacity by two passengers.

That Dodge Brothers Sport Roadster now provides this convenience, will be welcome news to thousands.

Like the main seat it is deeply upholstered in gray Spanish genuine leather, and the seat back is high and well pitched, providing unusual comfort.

When closed, the rear compartment is absolutely waterproof, even in rainiest weather.

Ample space is provided behind the main seat for golf clubs, suit cases, tennis rackets and similar luggage.

Brilliant pheasant green lacquer body and hood, strikingly in contrast with the tan top, black fenders and full special equipment, complete a general color scheme of exceptional dash and charm.
