*Automatic
Gas Heating
lets the pup
be your
furnace
man!*

Be rid of all dirt, ashes, soot—and all the other nuisances of providing winter comfort for your home.

A good, modern gas heating plant “needs no more care or attention than a pup can give it”—not even a glance at the furnace for days and weeks at a time!

Ask our house heating department for full details of this thoroughly tried and proven heating method. Just telephone Winnetka 80.
