EVERY washtub ought to be sent off to some place where freaks and curiosities are collected.

The washtub no more belongs in the modern home than does the spinning wheel or the pump. For washing is something that no woman ever should have done and that no woman today needs to do. Instead, simply ask for our Wet Wash service and for a few cents a pound everything will be carefully and beautifully done by us.

**20% Discount on Work Brought and Called for.**
