

### E. T. Leonard Co. Builds House on Hawthorne Lane

The E. T. Leonard company, of 556 Center street, Winnetka, broke ground Thursday at 529 Hawthorne lane, where they will erect for the market an attractive seven-room house of stone and stucco. It is to be of the English type and will embrace the usual features of the E. T. Leonard homes. The first story will be of stone, set on edge, random size and coloring, and the second story will be of stucco, and will have a slate roof. There will be three baths. The site is a beautifully wooded lot. It is planned to have the house completed by November 15. The total cost is said to be around \$30,000.

The Dejeuner club of the north shore celebrated the birthday of one of its members, Mrs. William Hays, 63 Warwick road, Kenilworth, with a luncheon at the Union League club, Wednesday, with Mrs. Ogden as hostess. Following the luncheon, the club attended the matinee at the Studebaker theatre, where "The Great Gatsby" is now playing.

### Christian Science Churches

"Soul" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, August 15.

The Golden Text was from Psalms 33:20, "Our soul waiteth for the Lord: He is our help and our shield."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me. For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul? (Matthew 16:24, 26).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The pains of sense are salutary, if they wrench away false pleasurable beliefs and transplant the affections from sense to Soul, where the creations of God are good, 'rejoicing the heart.' Such is the sword of Science, with which Truth decapitates error, materiality giving place to man's higher individuality and destiny" (p. 265, 266).

Mr. Charles V. Sommer, 425 Provident avenue, Winnetka, is spending six weeks' vacation in the Nipigon Rapids and woods regions of Canada. On his return he will spend a week each at Mackinac Island and Petoskey, Mich.

Mr. and Mrs. Arthur L. Clifton, 274 Ridge avenue, left Wednesday, August 18, for a two weeks' trip to Petoskey, Mackinac, and the northern Michigan resorts.

### READY OCTOBER FIRST

Hundreds of men are busily working day after day to make certain that The Georgian will be completed according to pledge on a set time schedule.

These hundreds of men representing every phase of building construction follow each other in logical order. As soon as the concrete was set, plumbers, steamfitters, electricians installed those many pipes, conduits, ventilating systems. Hollow tile walls were set, plumbing and mechanical refrigeration pipes installed, concrete floors poured.

The work has been continuous. Schedule dates have been kept. The Georgian, at Hinman Avenue and Davis Street, will be ready October first—undoubtedly before.

In the meantime visit the model suite at 522 Davis Street. See how large the rooms are, how complete the suites. Decided rental advantages on October leases signed now.
