## LEE Says:

A CERTAIN prominent RESIDENT of our fair CITY was in the store HERE yesterday—we're NOT going to tell you HIS name because it MIGHT get him in bad—AND he told us his wife IS the best cook in the WHOLE world but SHE won't cook, which IS too bad, of course, BUT at that he has no ROOM to holler—what IF he had a wife who COULDN'T cook and WOULD! So he'd better COUNT his many blessings, ONE by one, and figure THAT he's got the best END of that bargain—JUST as our customers HAVE who happen to be IN need just now of STATIONERY—NO joking, we are OFFERING you something UNUSUAL in this line AND we wish you'd INVESTIGATE it.
