### A. L. Meyer Constructs Central Avenue House

A. L. Meyer, builder of Wilmette, will soon have ready for the market a bungalow type, brick house, which he is building at 1611 Central avenue, Wilmette. The plaster contractors began work Tuesday and Mr. Meyer hopes to have the house completed at an early date, in order that he may get started on another one and perhaps two more, before cold weather sets in.

The Central avenue house is on a fifty foot lot. It is brick veneer on tile, with one bed room on the first floor and two on the second. There is also a sleeping porch and sun parlor. Mr. Meyer says it is a \$15,000 property.

#### BUILD NEW HOME

A building permit was issued August 31 and ground broken the following day for a residence at 1755 Highland avenue, Wilmette, and thus another of the very few remaining lots on this street is gone. G. Kroschel, contractor, is building a \$12,000 residence at the foregoing number for Robert Hoffman, of Hoffman Brothers, merchants, at 1716 Wilmette avenue.

### Construct \$40,000 Home for C. Miles McDonald

September 1 building permits in Wilmette lead off with one for a \$40,000 residence which Drake Brothers, builders, of 520 Davis street, Evanston, are erecting for C. Miles McDonald, of 1239 Elmwood avenue, Wilmette, and which is to be completed, it is said, by March 1, 1927.

Ground was broken for this beautiful home this week. It will be located on the eighty foot lot with riparian rights at the southeast corner of Elmwood and Michigan avenue, a lot especially featured by its fine large trees and its unusually splendid beach.

The house will comprise nine rooms and three baths, and in addition there will be a two-car attached garage with maid's quarters on the second floor thereof. The house will be of Italian style of architecture, constructed of buff, faced brick, and will have a tile roof.

Mrs. Charles C. Coyle, 1097 Cherry street, is entertaining her sister, Mrs. F. X. Goetz of Saskatoon, Saskatchewan, Canada, who will be with her sister about three weeks. Mrs. Goetz's son, Francis, will be remembered in Chicago and by some on the north shore, as the boy soprano who sang for Galli-Curci two years ago. He came to Chicago to sing for Victrola records and was presented to the famous singer. He is studying music now, and will return to Chicago in about two years.

Mrs. William Jerome Clarke, 902 Pine street, has just returned from a two weeks' visit with her daughter who lives in Backus, Minn. Mr. and Mrs. Clark will leave September 7 for a fortnight's trip through the East, including Philadelphia, Atlantic City, New York and Boston.

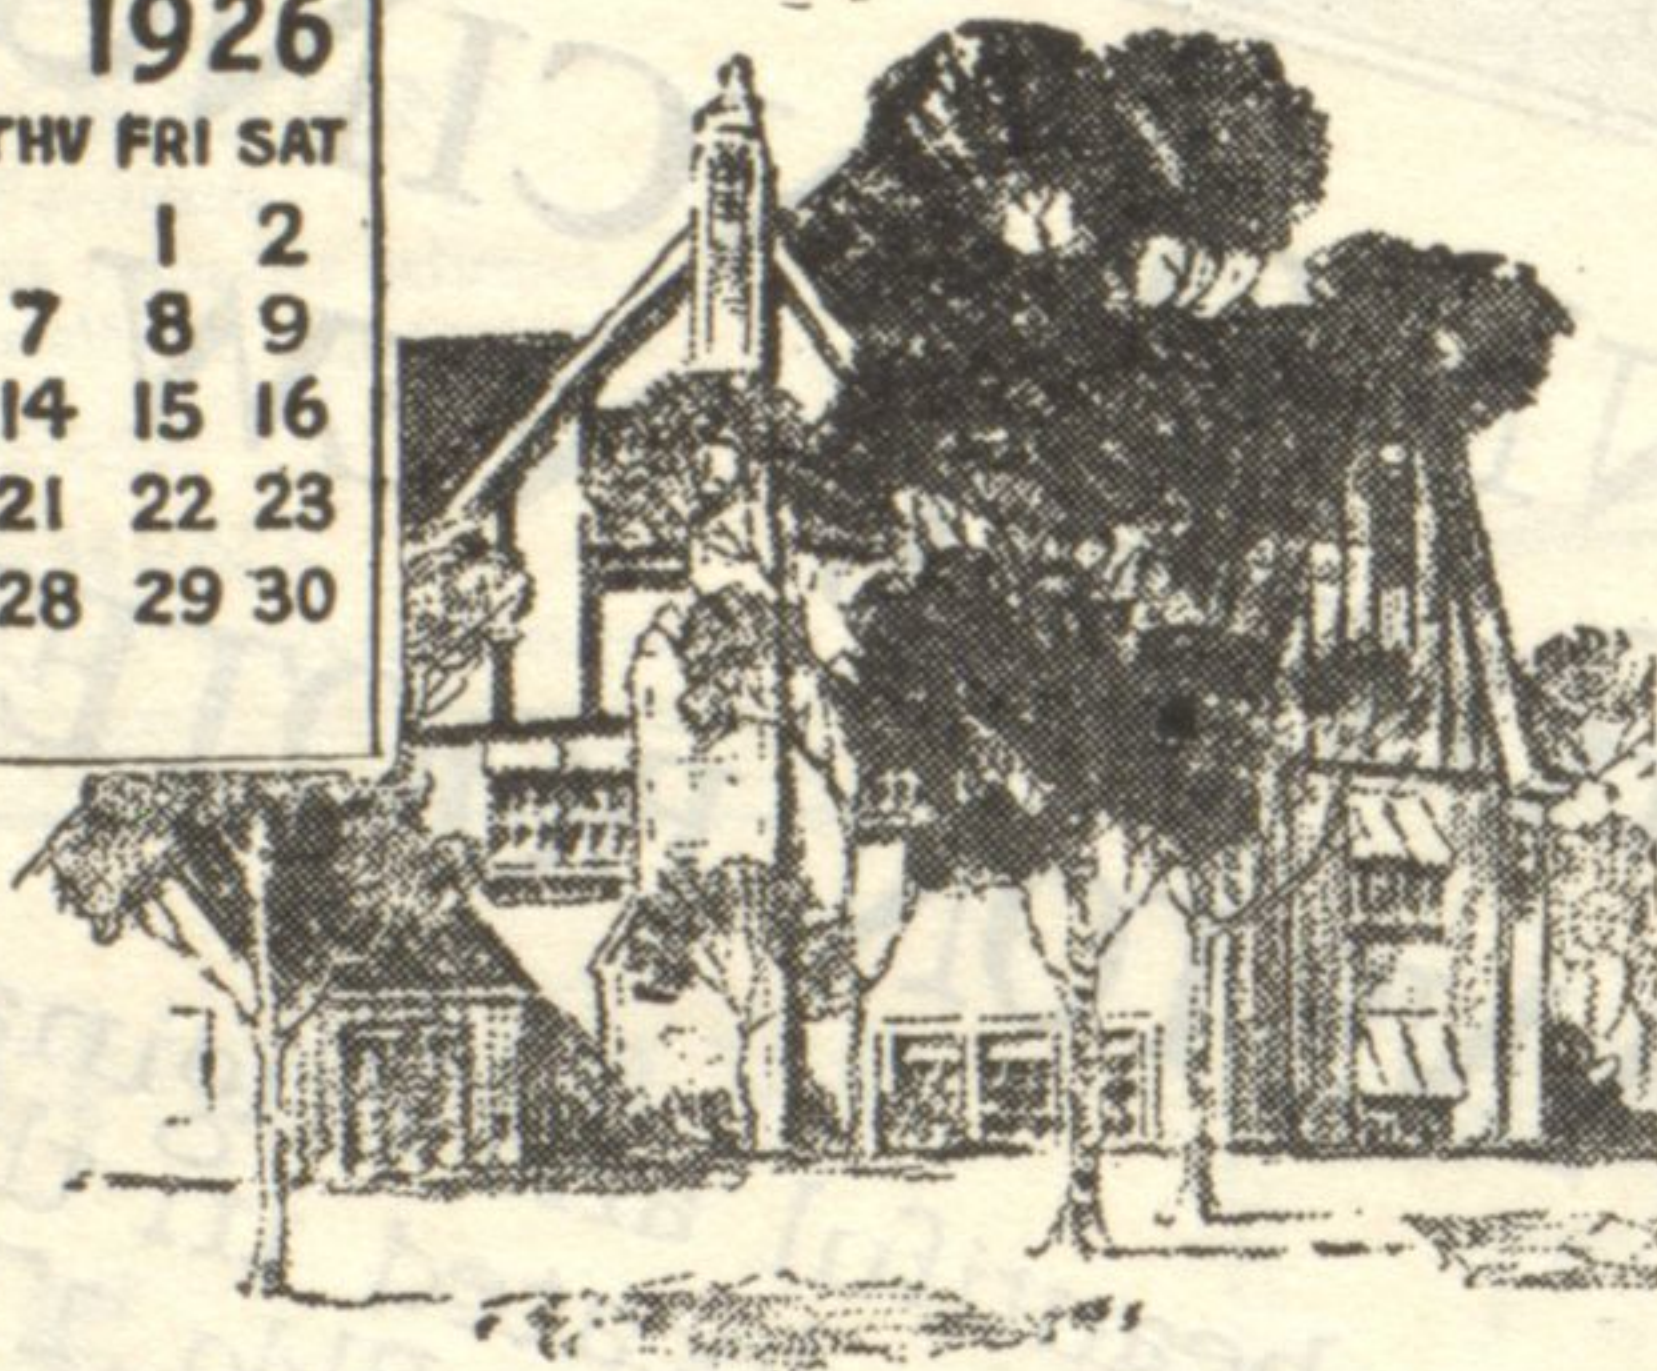

# SENSIBLE

Ninety per cent of all the cars Dodge Brothers built in the last 11 years are still in service. That is because they are built to last! And that is why there is no more sensible investment in the world than a Dodge Brothers Used Car.
