North Shore Golfers in Pro-Amateur Tournament

Among the many first rate golfers who were entered in the eighteen hole pro-amateur tournament at the Evanston Golf club were eight men from the North Shore. Those who were competing were: By Chamberlain, Glencoe Golf club; N. C. McKinney, Wilmette Golf club; Mark Greer, Wilmette Golf club; Floyd Johnston, Illinois Golf club; Alec Law, Skokie; S. Morrison, North Shore Golf club; D. Tosh, Sunset Ridge Golf club; W. Chamberlain, Glencoe Golf club.

Safety Work in Schools Lessens Accident Toll

Safety work in the schools is showing results, according to a bulletin issued by the accident prevention department of the Chicago Motor club, which shows that despite the increase in automobile and school registrations there were fewer fatalities among children in Cook county during the first five months of 1926 than during the same period in 1925. In 1925 there were seventy-nine fatalities, and in the same period of 1926 the fatal accidents were cut to sixty-eight.

Superintendent of Chicago schools William McAndrew ascribes this reduction in accidents to the work of the school boys patrol, and to the systematic safety instruction that has been carried on in the schools in an intensive manner during the past year. Each class room in the public schools of Chicago is supplied with a poster depicting some phase of the accident problem as it applies to children. These posters, which are supplied by the Chicago Motor club, are changed from month to month, and every Friday afternoon the teachers lecture the children on a safety theme based on the subject matter of the poster.

This work is also carried on in most of the public and parochial schools in northern Illinois and northern Indiana.

Mrs. Carroll Dean Murphy, 875 Hill road, has as her guests this week, her mother, Mrs. M. W. Stokes, of Des Moines, Iowa, her sister-in-law, Mrs. Homer L. Stokes of Dallas, Texas, and three of Mr. Murphy's nephews and nieces of Des Moines, Iowa.

Mrs. Gundlach was a member of Delta Delta Delta sorority at Northwestern university, and Mr. Gundlach, who graduated from Northwestern last June, was a member of Lambda Chi Alpha fraternity.

FUNDS AID SCHOOL

Hold Tag Day September 13 for Chicago Junior School for Boys from Broken Homes

Chicago Junior school, located one mile north of Elgin and covering one hundred acres of beautiful country overlooking the Fox river, is the scene of many happy activities these summer days when the more than fifty boys from broken homes, who make their home at the school, are engaged in all sorts of seasonable sports, under the leadership of a competent director.

At a recent drive held for the benefit of this school, the sum of \$35,000 was raised toward the furnishing of more commodious quarters for the boys, and it is hoped that before long it will be possible to include accommodations for girls from broken homes, as well, and in this way do away with the necessity of the further separation of families.

Chicago Junior school is gathering its forces together at this time for active participation in the annual official Tag day which will be held Monday, September 13.

Several organizations, known as Branches of Friends of Chicago Junior school, have already been established in Chicago, the north shore (headquarters at Evanston) and Oak Park and these organizations are hard at work on plans for fall and winter which will mean much in the way of financial assistance for the furtherance of this splendid and worthwhile cause.

The North End branch, which is the largest—numbering two hundred—will celebrate its first anniversary September 21, at the Sovereign hotel, where its regular monthly meetings are held. The many social activities which the program committee of this branch has planned for the coming season will help materially to increase the building fund and thereby make it possible to build two new cottages on the school grounds,—an additional one for boys and the other for girls.

A fall rummage sale is also one of the plans of the North End branch for the purpose of contributing to the building fund.

Indian Hill Lassie Is Medalist in Golf Play

Helen MacMorran, 15 year old daughter of Jack MacMorran, Indian Hill Golf club professional, qualified as medalist in the qualifying round of golf tournament at Westmoreland, playing for the women's western junior title, this week. Last year she was runner up to Virginia Van Wie at South Shore. Helen went around the eighteen holes in 45-45-90, just two strokes ahead of her nearest rival, Mildred Hackl.

Among the Winnetka young people who are returning to school this fall, are Wesley, William and Alice Carey. Wesley will return to the Chicago College of Osteopathy, where he has been a student for several years. He will have two more years of work before completing his course. William will attend Northwestern university, and Alice will return to De Paul university in Chicago.

Mary Alice Cochran, daughter of Mr. and Mrs. John R. Cochran, 370 Chestnut street, entertained six of her friends at luncheon Friday noon, August 27, in honor of her thirteenth birthday.

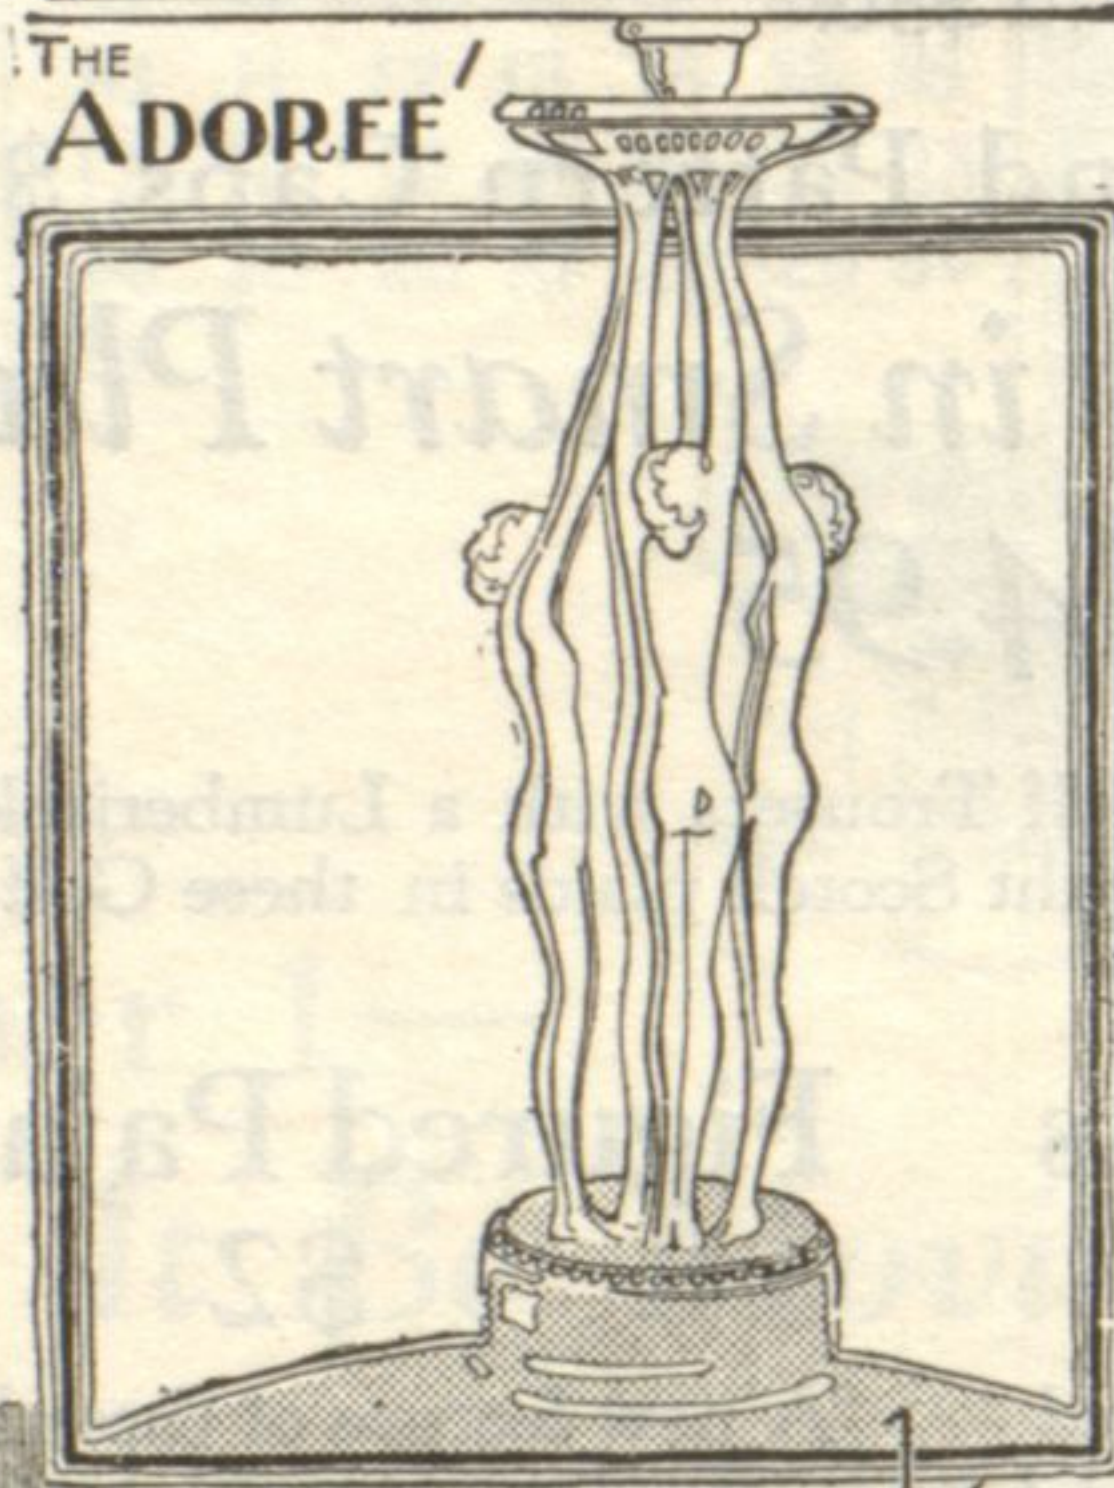

Miss Dagnar Nelson, daughter of Mr. and Mrs. E. Nelson, 923 Oak street, and her cousin, Miss Elida Marie Nelson, left Winnetka Monday night, August 30, to spend a week at Lake Marie, Wis.
