

### New Trier Student Roll to Come Near 1,500 Mark, Report

To date, 1400 students are registered at New Trier High school for the session which begins on Monday, September 13. At this time last year, there were only 1371 students signed up. At least seventy-five more are expected to register before school starts next week, as there is always a rush for registration the week before the semester begins.

There are about 206 freshmen girls and 209 freshmen boys registered already, while the sophomore class has 193 girls and 203 boys signed up. The juniors have an enrollment of 158 girls and 166 boys at present, while the senior class numbers 130 girls and 135 boys.

Although the total enrollment has not yet been recorded, it is estimated that about 100 more students are to be registered this year than there were last year at New Trier.

Joseph Riddle, 995 Oak street, Winnetka, and William Larkin, both juniors at New Trier High school, have been working this summer at Beartooth ranch, Dean, Montana. They will return home this week.

### 180 New Trier Grads Off to College Soon

Of the 180 New Trier High school graduates who are going to college this year, nine intend to go East. Those who have received word that they have passed their college board exams are Elizabeth Babcock and Mary Parker, who will go to Smith college, Whitfield Cook, Robert English, Frank Stover, and George Immerwahr, who will attend Princeton, Horace Hubbard, who successfully passed the entrance exams for Annapolis and William Burke, Amherst. William Lloyd will enter Harvard without examination as he is in the highest seventh of his class. There are 180 out of the 259 graduates who will go to college.

Wilmette and Winnetka have been represented this week in the opening rounds of the Women's Western Golf association junior tournament played at Westmoreland club August 30 to September 3. Janet Byrnes and Helen Bode of Wilmette, members of the North Shore Golf club, and Helen MacMorran, daughter of Joe MacMorran, golf professional at Indian Hill club, qualified in the opening round. As we go to press Miss MacMorran and Miss Byrnes were paired in the semi-finals.

## Unseen Sources of Long Life

The basic sources of automobile value are not always apparent to the eye.

A motor car, like a house, may LOOK a great deal more substantial than it really is.

Because of this difficulty, more and more thousands are turning to Dodge Brothers product for insurance against disappointment.

The years have proved, and each year proves anew, that Dodge Brothers are as deeply concerned with the UNSEEN goodness of their motor car, as with the seen.

The mileage it will deliver, the safety it will provide, the expense and trouble it will save the owner over a period of years, are quite as important to Dodge Brothers as the more obvious details of equipment and style.
