

# 18 Years of Finer Manufacturing

*Back of the Unsurpassed Dependability of the Hupmobile Six*

The Hupmobile Six which is sweeping onward to ever-growing success today, is heir to a richer heritage of quality and fine engineering and workmanship than any other automobile outside the highest priced field.

For 18 years Hupmobile has built to standards comparable to those in the field of highest priced cars.

Never for a single moment has it deviated by so much as a hair's breadth from the most rigid requirements.

It sets up the highest standards—and then makes sure that those standards are strictly adhered to.

Hupmobile pays 10 per cent more for inspection, to make sure of Hupmobile Six quality—but that extra precaution saves the owner of a Hupmobile Six many times the additional cost.

### *Hupmobile Six a Leader Also, In Complete, Modern Equipment*

What goes into a motor car is vastly more important than what goes on it. You will not buy, of course, on mere externals and non-essentials, but on proven performance, dependability, long life, and low cost of maintenance. To superiority in these fundamentals, however, the Hupmobile Six also joins the later and most complete equipment to be found on any car in its price class.

1. Oil filter. 2. Gasoline filter—low gasoline consumption. 3. Thermostatic heat control. 4. Snubbers. 5. Vision-ventilating windshield. 6. Dash gasoline gauge. 7. Clear vision bodies. 8. Color options—Mohair upholstery in latest mode. 9. Walnut grained panels on instrument board and window ledges. 10. 4-wheel brakes. 11. Special vibration damper. 12. Headlights with tilting beam lenses and double filament bulbs.

Sedan, five-passenger, four-door, \$1385. Coupe, two-passenger, with rumble seat, \$1385. Touring, five-passenger, \$1325. Equipment includes 30 x 5.25 balloon tires, four-wheel brakes.

And it pays Hupmobile. For the brilliant success everywhere of the Hupmobile Six is directly due to Hupmobile reputation—a good name and a public confidence founded upon Hupmobile's high manufacturing standards.

The Hupmobile Six offers you performance that in smoothness, in acceleration, in steadiness at high speeds, cannot, we believe, be equalled outside the field of sixes over \$2000.

It offers you a big, full-sized, beautiful car, delightfully easy of control, and exceedingly economical of operation.

But more than this, it offers you dependability and low cost maintenance that cannot be excelled by any Six at any price—the fruit of 18 years of unflinching adherence to highest quality standards.
