

BEGIN TICKET SALE FOR ILLINI FOOTBALL

**Applications for Seats Coming
in Early as Fans Order
Tickets by Mail**

About 40,000 application blanks and instruction leaflets for the benefit of football fans who want to order tickets for the University of Illinois games are being mailed out. The Illini schedule is as follows:

October 2—Coe at Illinois (Scout Day) no reserved seats.

October 9—Butler at Illinois, no reserved seats.

October 16—Iowa at Illinois (Homecoming).

October 23—Michigan at Ann Arbor.

October 30—Pennsylvania at Illinois (Dad's day.)

November 6—Chicago at Chicago.

November 20—Ohio at Illinois.

These blanks are being mailed to stadium subscribers and other alumni, to banks and newspapers and to thousands of "general public" fans who have no university affiliation but are anxious to see the big games at Illinois. Blanks and instructions will be mailed to any person who sends a request to the Football Ticket office, Urbana. Thousands of fans already have asked to be put on this mailing list.

Just as soon as application blanks are received, orders for all home games may be sent to the office. There is no limit on the number of tickets one person may order for the home games. For the Michigan game at Ann Arbor tickets are restricted to two to a person and the supply of seats for the Chicago game at Chicago will be so limited that only paid-to-

date stadium subscribers will be eligible to apply.

For the three big home games at Illinois-Iowa, Penn and Ohio state the Illini expect to have tickets for 25,000 "general public" fans, as well as take care of Alumni, and students. The Iowa game is expected to attract the usual "homecoming" crowd and Pennsylvania promises to be a big drawing card. Although the great Grange has passed off the scene, the Illini look to no decrease in interest, judging from the numerous requests for ticket information which has poured in all summer.

With practically a veteran line from end to end and a sophomore back field of promise, the Illini prospects right now would indicate a chance for a better team than last year. Since Illinois bumped off Pennsylvania, Chicago and Ohio and held the Michigan champions to one field goal last season, this prediction means something.

Illinois is spending \$75,000 on pavements and sidewalks at the stadium for the comfort of spectators. A \$10,000 rubber "raincoat" is ready to protect the field in case of rain. A "loudspeaker" which will announce details of the game to the crowd is another innovation.

ANNOUNCE CARD PARTY

The Eastern Star chapter of Winnetka is sponsoring a card party to be given at the Masonic temple Wednesday, September 22, at 2 o'clock. Bridge, five hundred and bunco will be played. Tickets may be purchased at the door from Mrs. Ferdinand Wolter, 1377 Scott avenue, who is general chairman.

The Winnetka chapter Order of Eastern Star is holding sewing meetings every Thursday morning at 10 o'clock in preparation for the Apron bazaar to be held in the near future at the temple.
