

CHRYSLER '60'

The Finest of the
Medium Priced Sixes

Ride and drive this truly great car before purchasing.

Just a drive around the block will convince you.

Original Chrysler Features

RICARDO HEAD

This may be all Greek to you, but you will hear a lot about it this year—and more next. The Chrysler "60" is the only car under \$2,500 with this feature.

SEVEN BEARING CRANK SHAFT

Chrysler Sixes have always had seven bearing crank shafts—and they are bronze-backed. Any mechanic will tell you the difference.
