Christian Science Churches

"Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, September 5.

The Golden Text was from Psalms 100:3, "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. And God saw everything that he had made, and, behold, it was very good" (Genesis 1:26,31).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If the material body is man, he is a portion of matter or dust. On the contrary, man is the image and likeness of Spirit; and the belief that there is Soul in sense or Life in matter obtains in mortals, alias mortal mind, to which the apostle refers when he says that we must 'put off the old man'" (p. 172).

Mrs. H. C. Anderson and her children, 1026 Pine street, left September 8, for a two weeks' stay at Palisade Park, Mich.

Mrs. Orval Simpson of 865 Auburn road won the flag race tournament at the Briergate Golf club Tuesday of last week.
