Its musical results are in fact so interesting that the Brunswick Company has decided to have the public hear the several artistic models, and name the instrument. Five thousand dollars will be paid for the suggestion accepted. Call on us, we will gladly demonstrate the instrument, and supply full details.

BRUNSWICK'S New Musical Instrument is particularly adapted to perfectly reproduce the new "Light-Ray" electrically recorded Brunswick records. It plays all makes of records faithfully, and with a most pleasing quality of tone.

Demonstrations are gladly furnished in your home or at our store, and without obligating you to purchase. Just call or telephone.
