Hand Carved
Living Room
Set
\$159.00

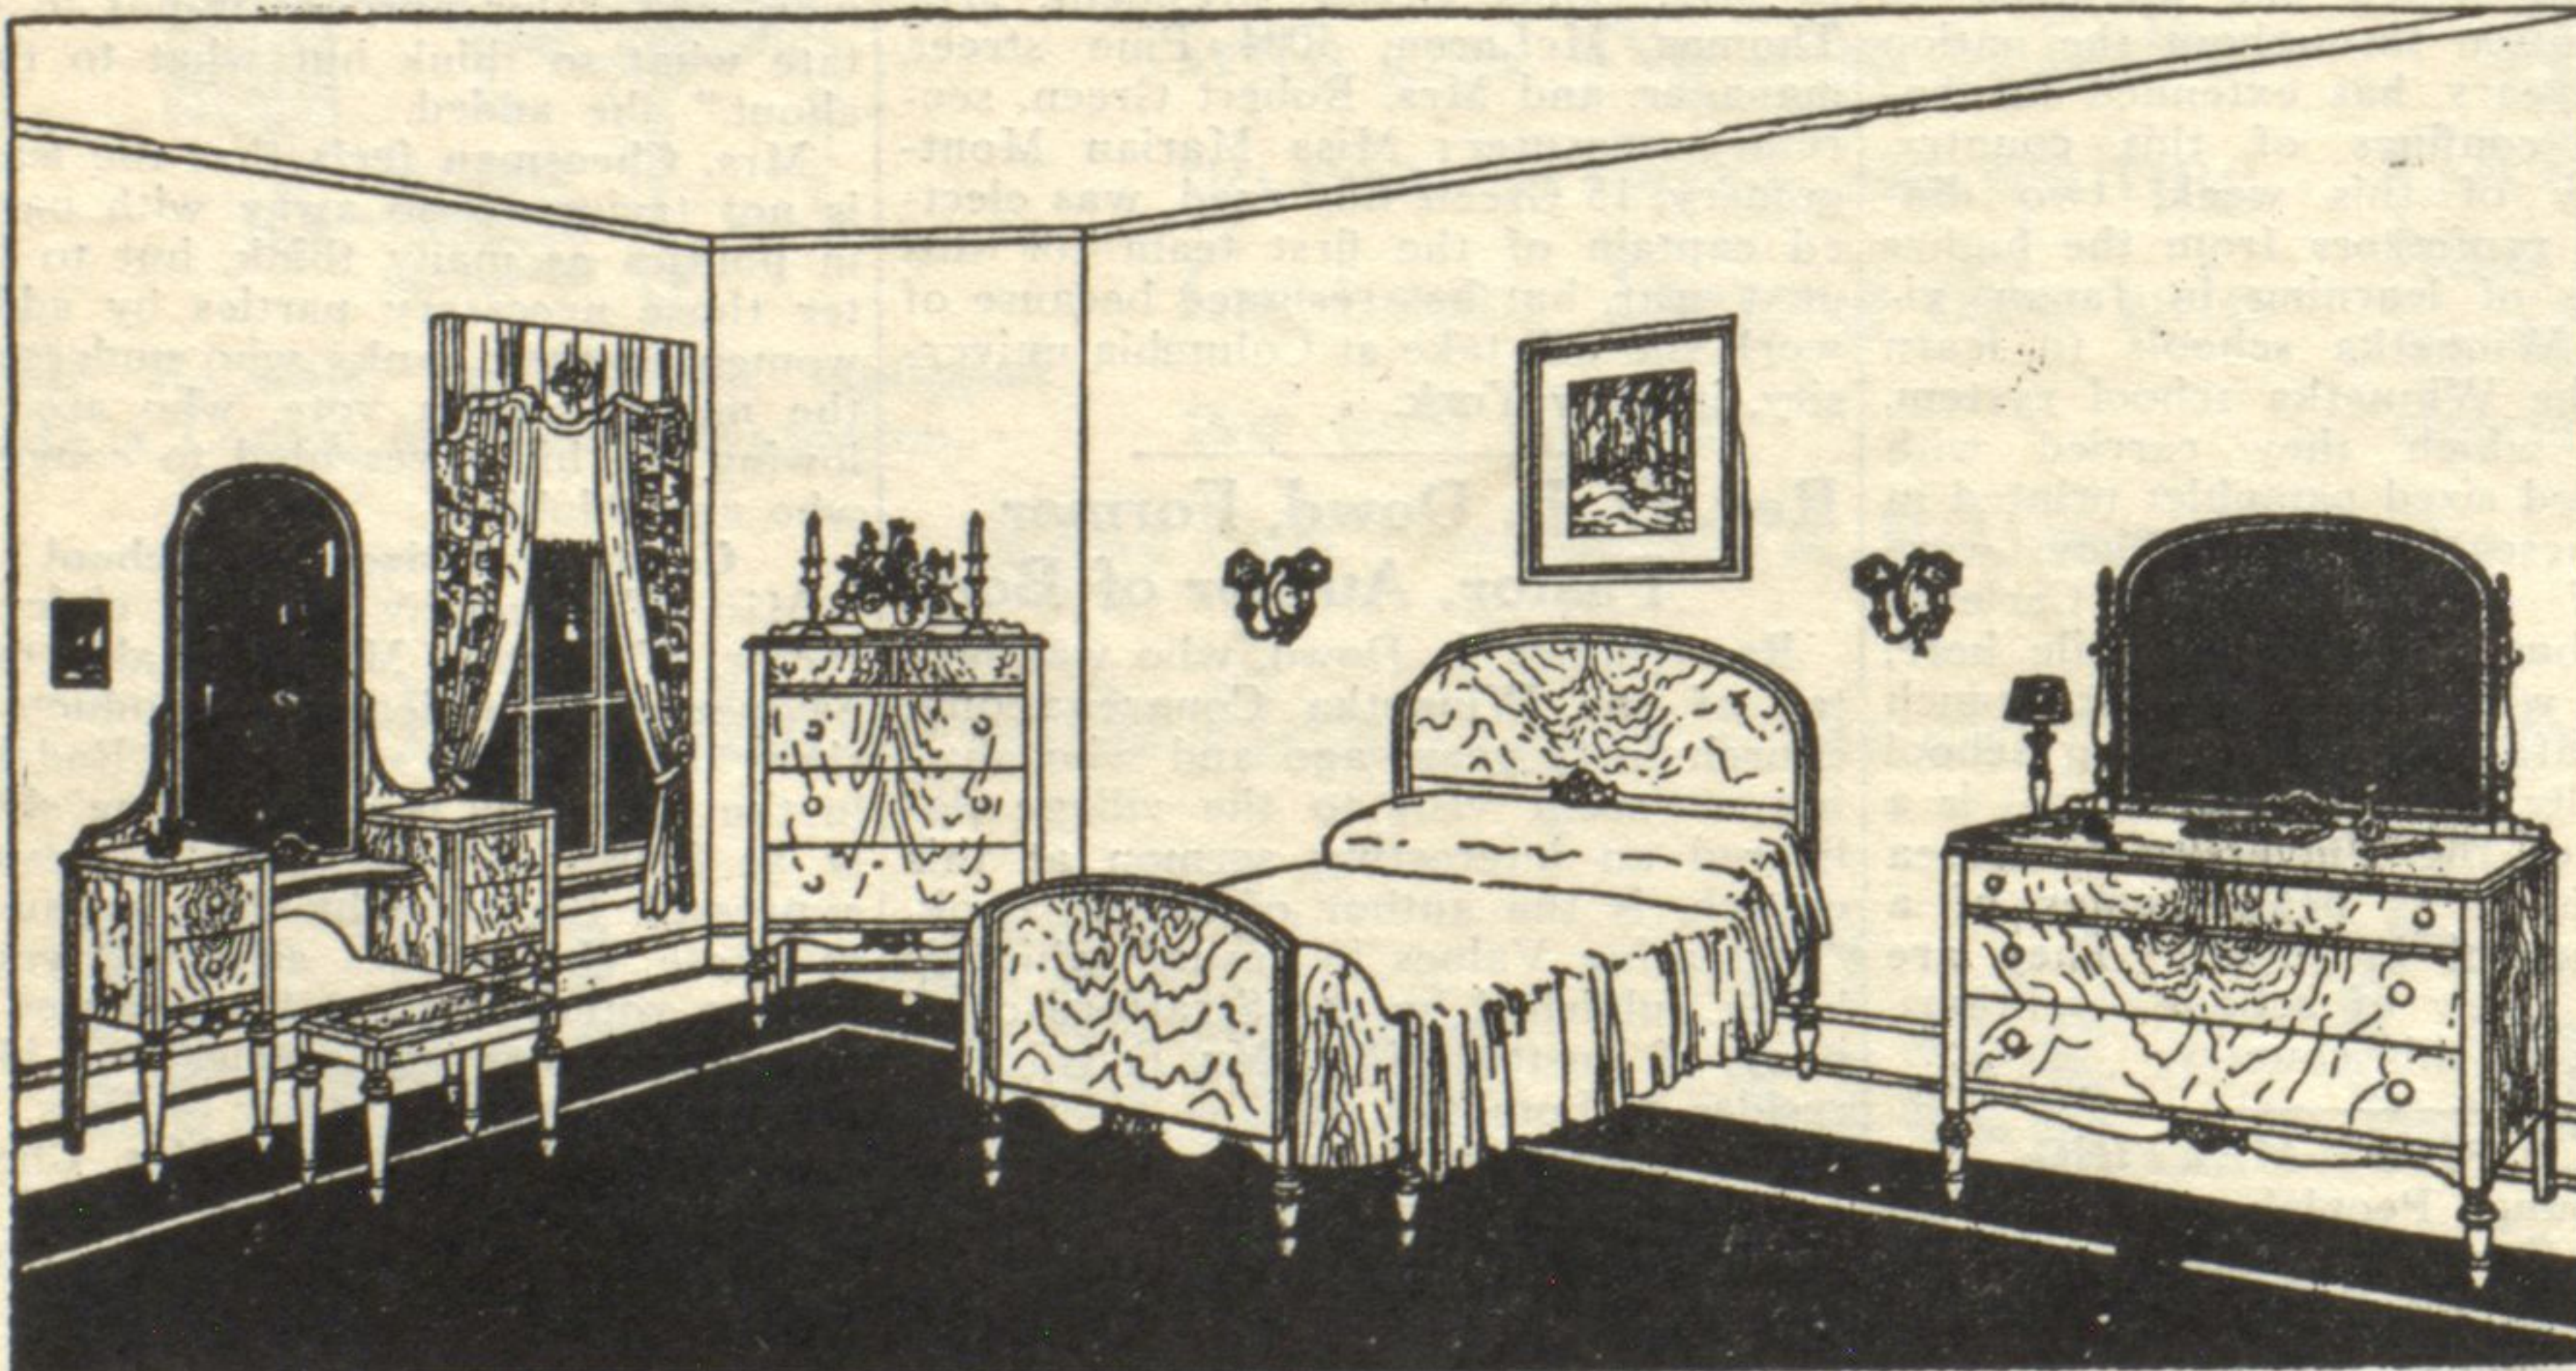

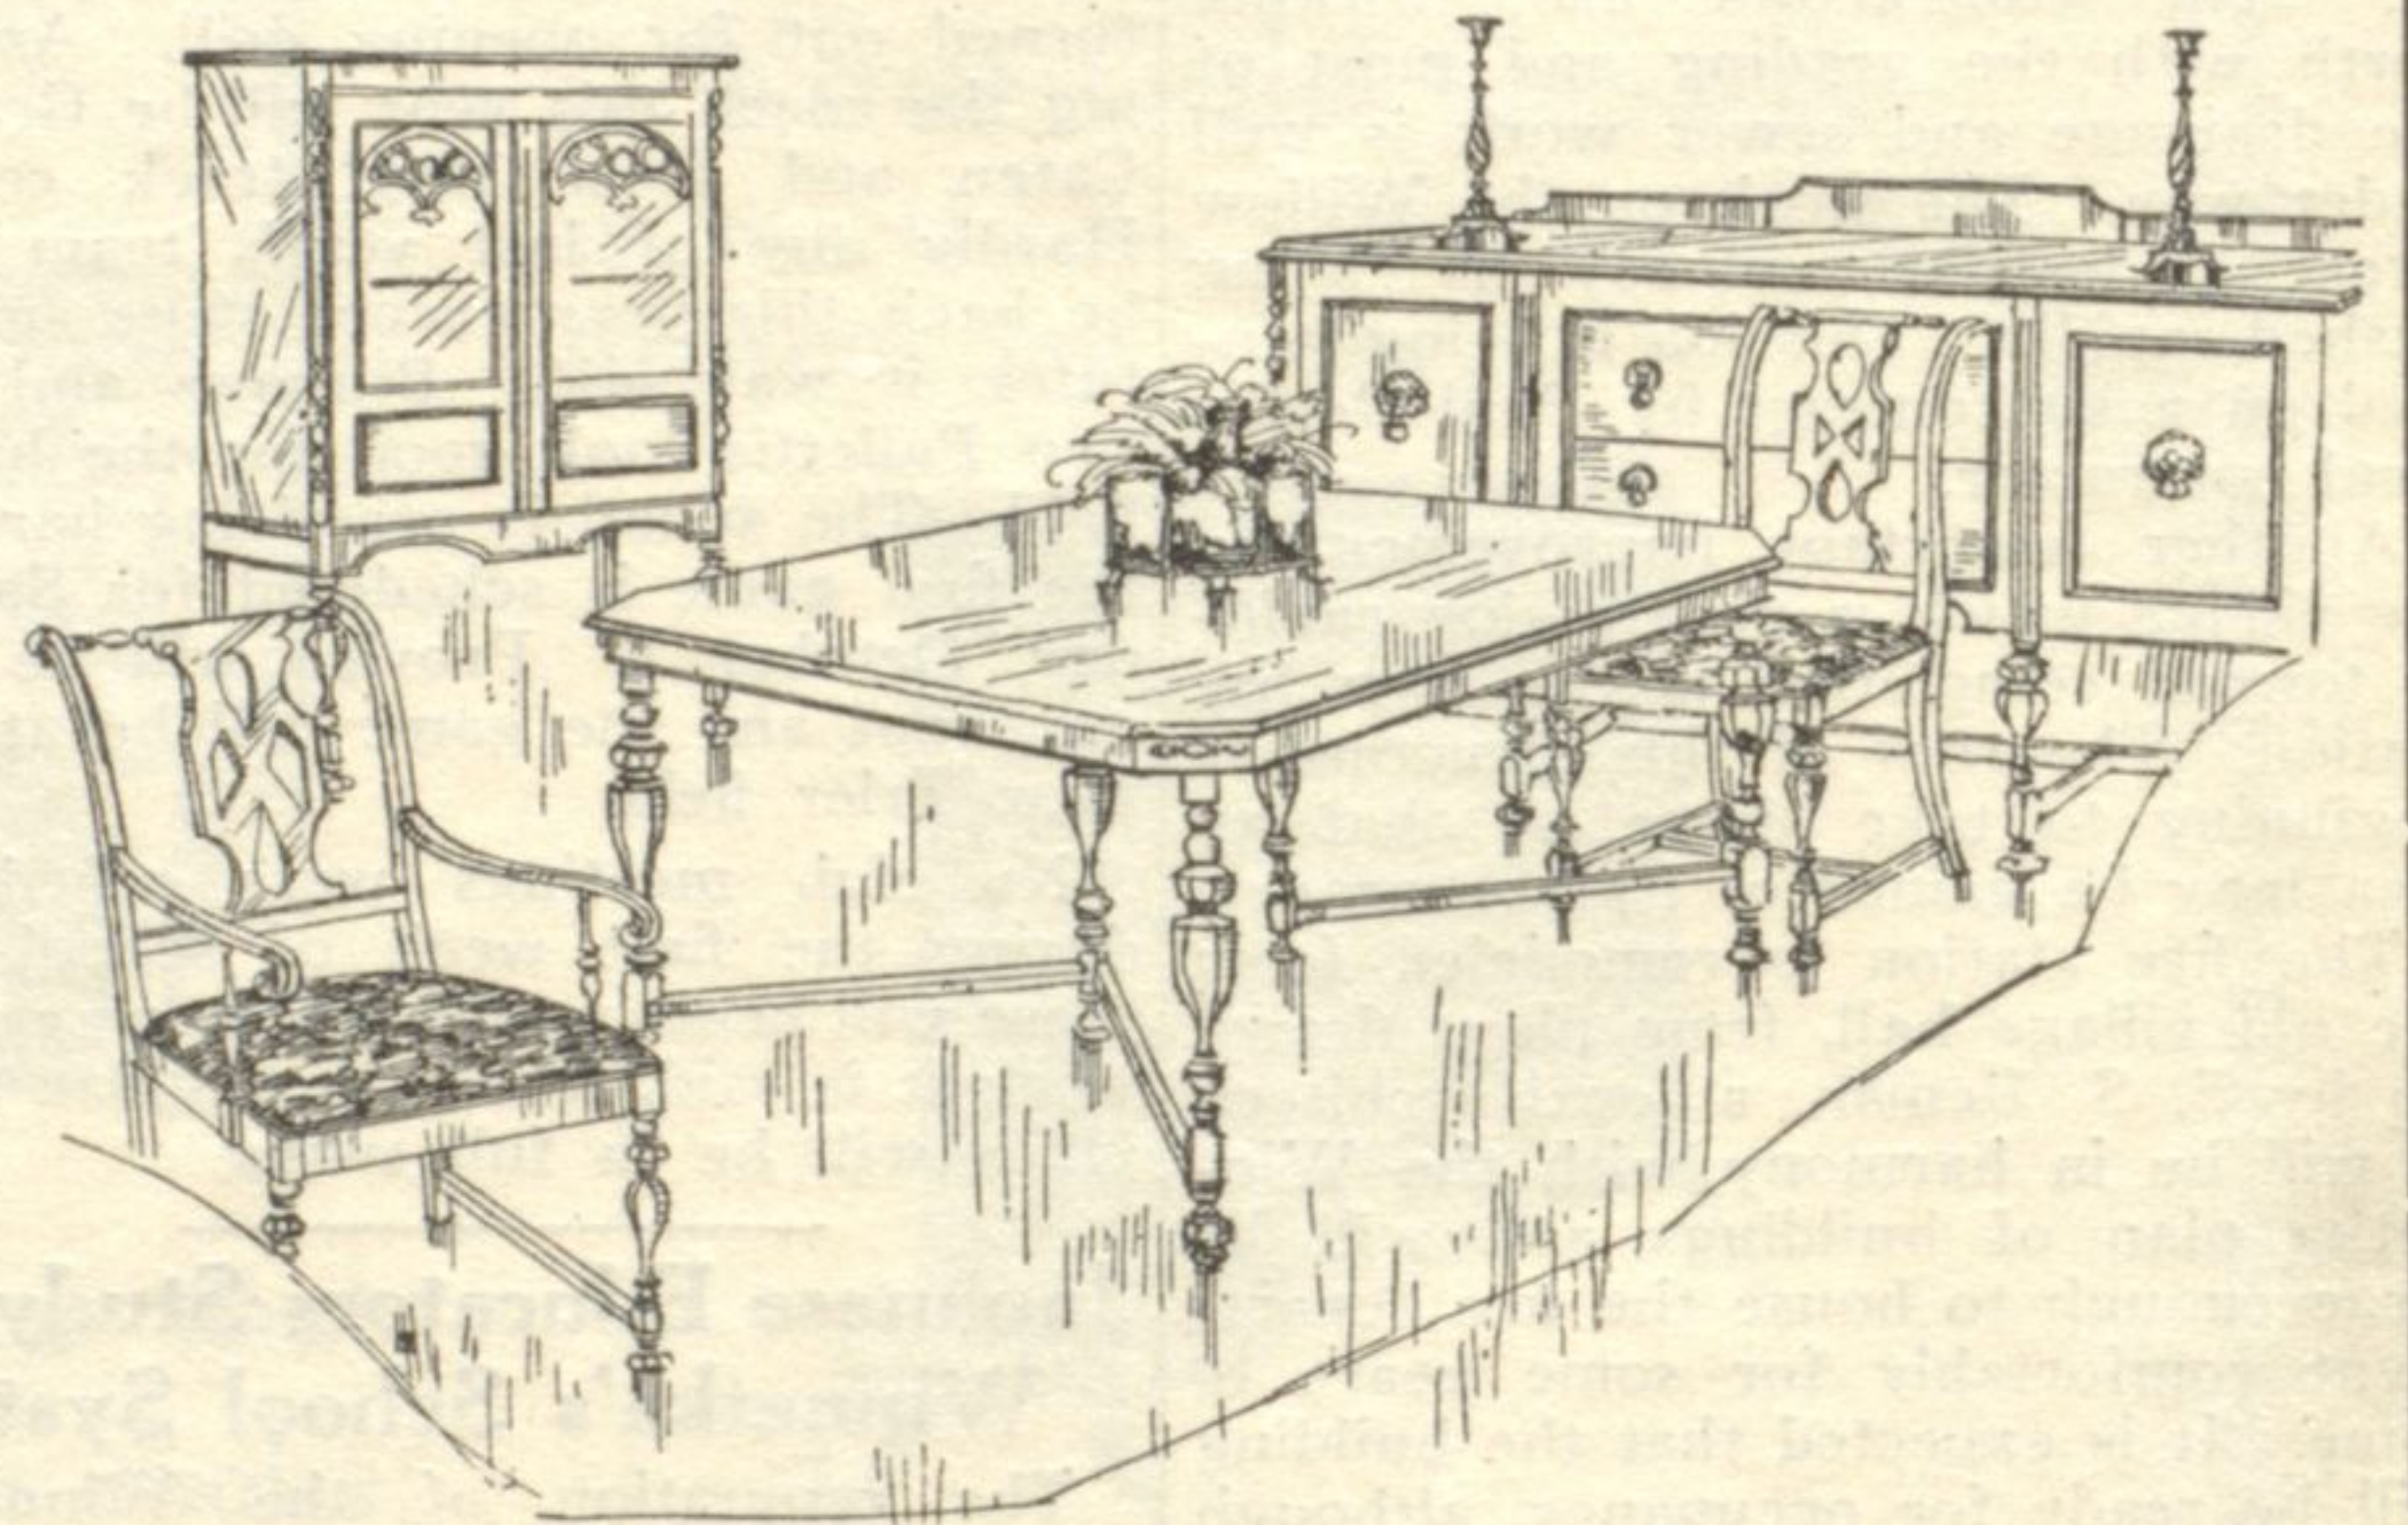

A most pleasing design, covered in the very finest grade of mohair obtainable, with reverse cushions in brocatelle.

A Notable Value in a Dining Room Group

This dining room furniture comes from a factory, which is nationally known for its high grade workmanship.

The pieces are made in a combination of fine American woods, with selected walnut on most of the exposed surfaces. This is toned in a rich brown, and high lighted.
