Christian Science Churches

"Substance" was the subject of the Lesson-Sermon at all Churches of Christ, Scientist, Sunday, September 12.

The Golden Text was from Psalms 24:1, "The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matt. 6:19-21, 33).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Substance is that which is eternal and incapable of discord and decay. Truth, Life and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen.' Spirit, the synonym of Mind, Soul, or God, is the only real substance" (p. 468).
