

Mrs. Harold L. Ickes and her son, Raymond, of 900 South Private road, have returned from New Mexico. Raymond spent two weeks in Oklahoma, joining his mother in Gallup, N. M., where they spent several weeks together. While in New Mexico, they attended the very interesting Gallup Inter-tribal Ceremonial and the snake dance held by the Hopi Indians.

The Responsibility for "Correctly Fitted" Shoes

Little tender feet, with easily hurt bones and unformed arches. Can any effort be too great to insure perfectly formed feet at maturity?

"There's a correct Foster Shoe for every age of the growing child."

How relatively unimportant are "WEAR" and "STYLE" and even "PRICE" compared to the "CORRECT FITTING" of Children's Shoes, and yet, in Foster Shoes for Children you get every essential of a really good shoe at consistently fair prices.

"Children who 'grow-up' in Foster Shoes are assured of properly formed feet"

Local Clergy to Attend Rock River Conference

Methodist clergy of the north shore who are members of the Rock River conference will attend its annual sessions to be held in Freeport, Ill., September 28 and 29.

Features of the meeting will include a trip to Galena to visit the Methodist church which Gen. U. S. Grant attended, and a journey to the "Garden of Eden" at Baileyville, Ill., where the Rev. Charles K. Carpenter has gathered one of the greatest bird collections in the United States.

Bishop W. O. Shepherd, a former member of the conference, now resident bishop of Portland, Oregon, will preside at the sessions. Bishop Edwin H. Hughes of the Chicago area, whose home is in Wilmette, will speak Wednesday evening, September 29, at a meeting in the interest of Wesley hospital. George W. Dixon, president of the hospital board, will preside.

WALTHER LEAGUERS MEET

Members of the North Shore zone of the Walther league will meet in Bethlehem Lutheran church, Evanston, Sunday afternoon and evening, September 26. The afternoon will be devoted to business discussions while the evening meeting will be of an inspirational character.

CLOSING CARD PARTY

Wilmette Golf club announces its last card party of the season to take place next Saturday afternoon at the clubhouse.

Francis Neir of Wilmette, Allason Clark of Evanston, and Douglas Davison of Glen View, New Trier High school alumni, are leaving Monday to attend Brown university.

Mr. and Mrs. L. H. Roach, 292 Sheridan road, returned September 8, from California, where they spent the entire summer.

Fire Prevention Week Is Set for October 3 to 9

The week of October 3-9 has been set aside by proclamation by Governor Small as Fire Prevention Week.

Fire last year destroyed resources worth \$570,000,000 in the United States, reads Governor Small's proclamation. Illinois, he continues, contributed \$28,500,000 of that amount. The startling fact is, he declares, that losses have been increasing each year. The toll in human lives is approximately 15,000 each year.

Suggestions for the effective observance of Fire Prevention Week are given as follows:

"Systematic inspection of property by proper local officials will control fire hazards in any community. Careful inspections should be made during this week and continued throughout the year.

"School officials should see that schools are safe from fire, that ample exits are provided and that frequent fire drills are held.

"Similar precautions should be taken by those having custody of churches, theaters, hospitals, public halls, hotels and other buildings where fire would jeopardize lives.

"Instructive talks and programs should be given in schools and before Chambers of Commerce and civic organizations.

"Every citizen should rid his home of fire hazards. Rubbish should be cleaned up. Flues and heating plants should be cleaned out and repaired. Defective wiring or gas connections should be remedied.

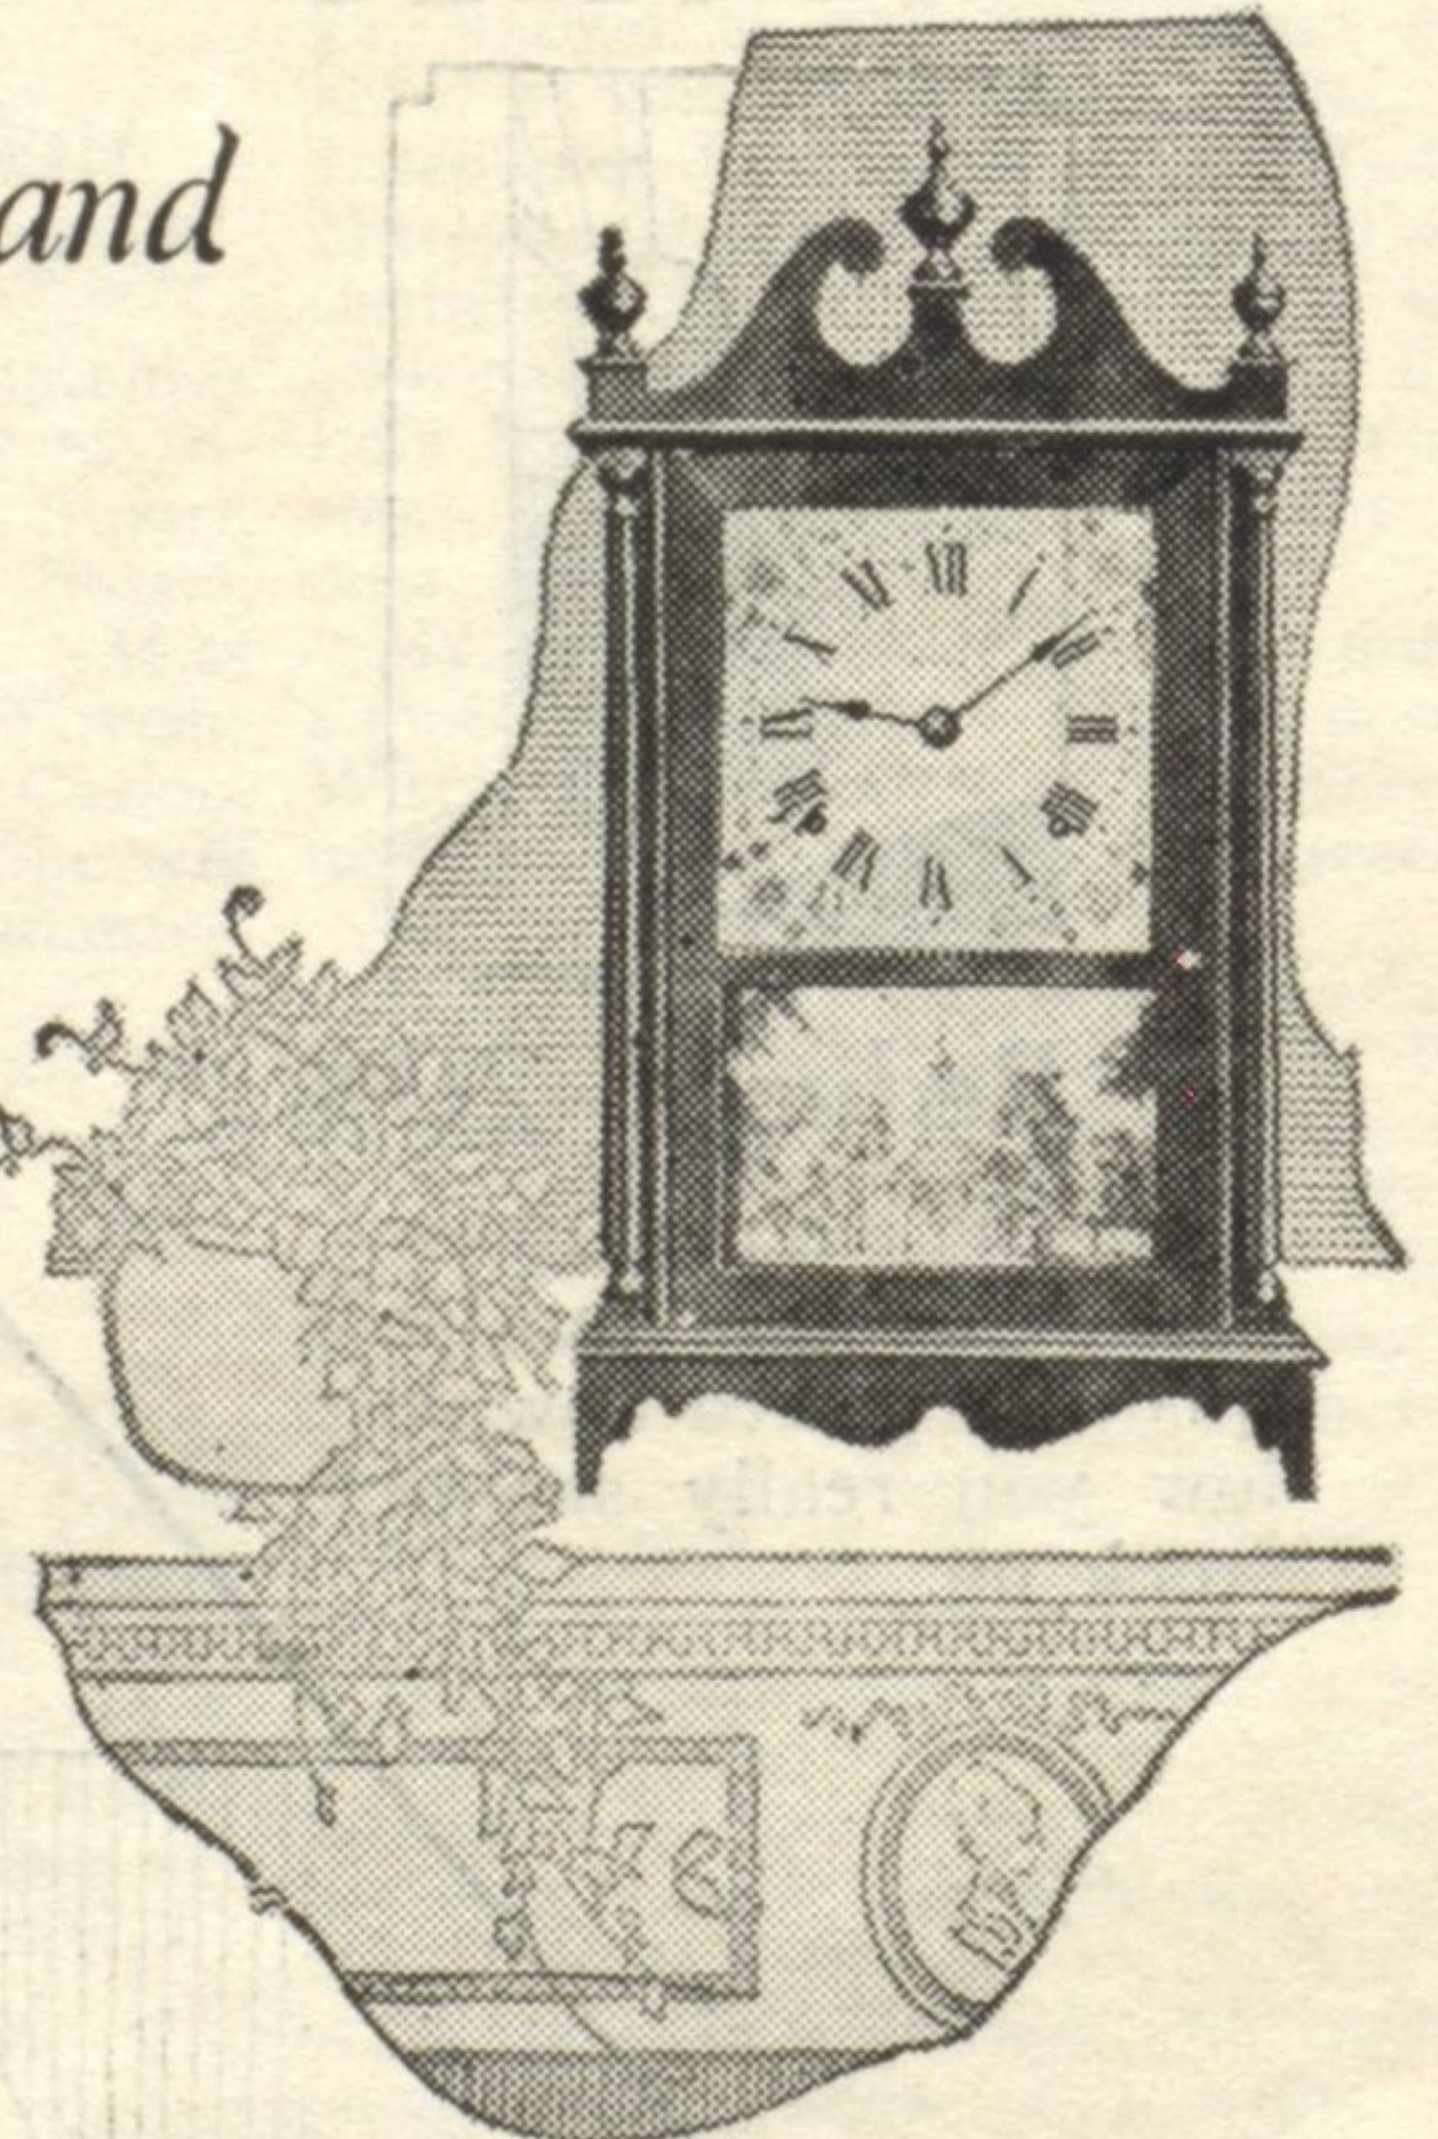

"The same suggestions apply to factories and places of business. In addition, fire extinguishers and other fire protection equipment should be examined and put in good condition.

"All should cultivate habits of carefulness in all things where danger of fire is involved.

"Press and pulpit can help greatly in carrying out the purpose for which Fire Prevention Week is set aside. Their co-operation is earnestly invited."

Mr. and Mrs. L. W. Pervier, 567 Chestnut street, have returned from a five weeks' visit at their summer cottage located at Thomas resort, Little Cedar lake, Wis. They were accompanied by Mr. and Mrs. Wallace Smith and son of 462 Chestnut street.
