*Let Mother*  
**DRIVE THEM to SCHOOL**  
*in Her "Personal Car"*

She would derive great pleasure in this pleasant daily task if she owned a Ford Tudor Sedan. Just the right size, easy to handle and very attractive. No matter how wet, cold or snowy the weather, she can take the children to and from school and take no chances of their being exposed to sickness

*and of course the daily shopping and personal calls can be made in comfort*
