

ber eleven (11) to and connecting with the proposed water pipe in Hill Road;

In said easement number twelve (12), from and connecting with said proposed water pipe in said easement number eight (8), thence northerly in said easement number twelve (12) to and connecting with said proposed water pipe in said easement number two (2);

In Hill Road, from and connecting with said proposed water pipe in said Hill Road at its intersection with said water pipe at the intersection of said Hill Road with said easement number eleven (11); thence east in said Hill Road to and connecting with the existing six (6) inch water pipe seven hundred forty (740) feet east of the east line of the southeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian;

Said improvement shall include all cast iron water pipe, cast iron water pipe fittings, cast iron bronze mounted fire hydrants with cast iron body, bronze mounted auxiliary water gate valves, with cast iron shut-off boxes with lids, cast iron body, bronze mounted, water gate valves, brick masonry water gate valve vaults with cast iron covers, connections of cast iron water pipe with necessary cast iron water pipe fittings for proposed water pipe to existing water pipe, testing, flushing, backfilling, restoration of pavements, walks, and parkways where cut, all labor and materials, cost of engineering services, and all other expenses necessary to construct said proposed local improvement, all within the Village of Winnetka, County of Cook and State of Illinois, the ordinance for the same being on file in the office of the Village Clerk of said Village, and the said village having applied to the Superior Court of Cook County, Illinois, for an assessment of the cost of said improvement according to the benefits, and a special assessment therefor having been made and returned to said Court, General Number 445188, the final hearing thereon will be held on the 27th day of September, A. D. 1926, or as soon thereafter as the business of the said Court will permit. All persons desiring may file objections in said Court before said day, and may appear on the hearing and make their defense. Said ordinance provides for the collection of said assessment in ten (10) annual installments, with interest thereon at the rate of five per centum per annum. Dated, Winnetka, Illinois, September 10, A. D. 1926.

HARRY I. ORWIG,
Person appointed by the President of the Board of Local Improvements of the Village of Winnetka, Cook County, Illinois, (and such appointment approved and confirmed by the Superior Court of Cook County, Illinois) to make said special assessment.

FREDERICK DICKINSON,
Village Attorney.

VILLAGE OF WINNETKA

Special Assessment Notice.

In the Superior Court of Cook County, Illinois.

General Number 445189.

NOTICE IS HEREBY GIVEN to all persons interested that the Village of Winnetka, Cook County, Illinois, having ordered that a local improvement consisting of a connected system of sanitary sewers be constructed in the following named streets, avenues, roads and easements hereinafter described: In Glendale Avenue south of Willow Road, and in easements numbers one (1), three (3), four (4) and five (5), including all vitrified, salt glazed, hub and spigot tile sewer pipe and fittings, monolithic concrete manholes, with cast iron manhole covers, concrete for encasing all sewers ten (10) feet or more in depth, six (6) inch vitrified tile sewer pipe encased in concrete for drop connections to manholes, connections to manholes of the intercepting sewer of the Sanitary District of Chicago, junctions for house service connections, provisions for future connections to proposed manholes, all trenching, excavation, backfilling, flushing backfill with water, restoration of pavement, walks and parkways where damaged, and removal of all surplus materials, all labor and materials, cost of engineering services, and all other expenses necessary to construct said proposed local improvement, all within the Village of Winnetka, County of Cook and State of Illinois.

DESCRIPTION OF STREETS, AVENUES, ROADS AND EASEMENTS.
GLENDALE AVENUE south of Willow Road.

EASEMENT NUMBER ONE (1). A strip of land sixty-six (66) feet in width, extending from the south line of Willow Road to a line twenty (20) feet north of and parallel with the south line of the northeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian, the

center line of said strip of land being described as follows: Beginning at a point in the south line of Willow Road one hundred sixty-five and sixty-three hundredths (165.63) feet west of the east line of said northeast quarter of southwest quarter; thence southwesterly along a curved line (the tangent to which said curved line passes through said point of beginning and is parallel with the east line of said northeast quarter of southwest quarter), convex easterly and having a radius of one thousand four hundred thirty-two and five tenths (1,432.5) feet, one thousand and fifty (1,050) feet, as measured on fifty (50) foot chords; thence southwesterly along a curved line, tangent to the last described curved line, convex westerly, and having a radius of five hundred two and fifty-four hundredths (502.54) feet, three hundred fifty-one and six tenths (351.6) feet, as measured on fifty (50) foot chords, to a point on the south line of said northeast quarter of southwest quarter of section twenty (20), six hundred sixty-two and forty-six hundredths (662.46) feet west of the southeast corner thereof;

EASEMENT NUMBER THREE (3). A strip of land sixty-six (66) feet in width extending from the west line of the northeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian, being also the east line of Glendale Avenue (south of Willow Road), to the east line of said northeast quarter of southwest quarter, except easement number one (1), the center line of said strip of land being described as follows: Beginning at a point in the west line of said northeast quarter of southwest quarter, five hundred ten and sixteen hundredths (510.16) feet north of the southwest corner thereof; thence northeasterly along a curved line (the tangent to which said curved line passes through said point of beginning, and is parallel with the north line of said northeast quarter of southwest quarter), convex southerly, and having a radius of eight hundred eighteen and sixty-four hundredths (818.64) feet, three hundred sixty-three and four tenths (363.4) feet, as measured on fifty (50) foot chords; thence easterly along a curved line, tangent to the last described curved line, convex northerly, and having a radius of seven hundred eighty-one and forty-four hundredths (781.44) feet, five hundred eighty-three and six tenths (583.6) feet, as measured on fifty (50) chords; thence easterly along a curved line, tangent to the last described curved line, convex southerly, and having a radius of four hundred nineteen and forty-nine hundredths (419.49) feet, four hundred sixteen (416) feet, as measured on fifty (50) foot chords, to a point in the east line of said northeast quarter of southwest quarter six hundred thirty and two tenths (630.2) feet north of the southeast corner thereof;

EASEMENT NUMBER FOUR (4). A strip of land sixty-six (66) feet in width, extending southerly from the south line of Willow Road to the northerly line of said easement number three (3), the center line of said strip of land being described as follows: Beginning at a point in the said south line of Willow Road, three hundred ninety (390) feet east of the west line of the northeast quarter of the southwest quarter of section twenty (20), in township forty-two (42) north, range thirteen (13) east of the third principal meridian; thence southerly along a curved line, (the tangent to which said curved line passes through said point of beginning and is parallel with the west line of said northeast quarter of southwest quarter) convex easterly, and having a radius of eight hundred one and ninety-five hundredths (801.95) feet, two hundred nineteen and seven tenths (219.7) feet, as measured on fifty (50) foot chords; thence southerly along a curved line, tangent to the last described curved line, convex westerly, and having a radius of eight hundred one and ninety-five hundredths (801.95) feet, two hundred nineteen and seven tenths (219.7) feet; thence south along a straight line, parallel with and three hundred thirty (330) feet east of the west line of said northeast quarter of southwest quarter, to the northerly line of said easement number three (3);

EASEMENT NUMBER FIVE (5). A strip of land sixty-six (66) feet in width, extending southerly from the south line of Willow Road to the northerly line of said easement number three (3), the center line of said strip of land being described as follows: Beginning at a point in the said south line of Willow Road, seven hundred fifty-six and seventy-seven hundredths (756.77) feet east of the west line of the northeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian; thence southerly along a curved line (the tangent to which said curved line passes through said point of beginning and is parallel with the west line of said northeast quarter of southwest quarter), convex easterly, and having a radius of seven hundred seventy-four (774) feet, two hundred fifty-one and three tenths (251.3) feet, as measured on

fifty (50) foot chords; thence southerly along a curved line, tangent to the last described curved line, convex westerly, and having a radius of seven hundred seventy-four (774) feet, two hundred fifty-one and three tenths (251.3) feet, as measured on fifty (50) foot chords; thence south along a straight line, parallel with and six hundred seventy-six (676) feet east of the west line of said northeast quarter of southwest quarter, to the northerly line of said easement number three (3);

Easement number one (1), easement number three (3), easement number four (4), and easement number five (5), as more particularly hereinabove described, wherever referred to herein shall be known as public streets, avenues, or roads, as follows:

Easement Number one (1) shall be known as Locust Road.

Easement Number three (3) shall be known as Mt. Pleasant Road.

Easement Number four (4) shall be known as Linwood Road.

Easement Number five (5) shall be known as Rosewood Avenue.

The said proposed connected system of sanitary sewers shall be constructed in said above described easements, designated as easements number one (1), three (3), four (4) and five (5), and in the following described streets, avenues, roads and easements, as follows:

IN GLENDALE AVENUE south of Willow Road, from and connecting with the herein proposed sanitary sewer in easement number three (3), thence northerly along a line parallel with and fourteen and five tenths (14.5) feet east of the west line of said Glendale Avenue, six hundred twenty-two (622) feet;

IN EASEMENT NUMBER ONE (1), from and connecting with the present manhole of the intercepting sewer of the Sanitary District of Chicago, at the intersection of easement number one (1) and easement number three (3), thence southwesterly thirty (30) feet, to and connecting with the herein proposed sanitary sewer at the manhole herein provided for in said easement number one (1), fifty-two (52) feet northeasterly of the herein proposed sanitary sewer in said easement number three (3)

Also in said **EASEMENT NUMBER ONE (1),** from and connecting with the herein proposed sanitary sewer in said easement number three (3), thence northerly along a line parallel with and fourteen and five tenths (14.5) feet easterly of the westerly line of said easement number one (1), five hundred fifty-two (552) feet;

IN EASEMENT NUMBER FIVE (5), from and connecting with the herein proposed sanitary sewer in easement number three (3), thence northerly along a line fourteen and five tenths (14.5) feet easterly of and parallel with the westerly line and said westerly line extended of said easement number five (5) four hundred seventy-six (476) feet;

IN EASEMENT NUMBER FOUR (4), from and connecting with the herein proposed sanitary sewer in easement number three (3), thence northerly along a line parallel with and fourteen and five tenths (14.5) feet easterly of the westerly line and said westerly line extended of said easement number four (4) five hundred sixty-four (564) feet;

IN said EASEMENT NUMBER THREE (3), from and connecting with the herein proposed sanitary sewer in Glendale Avenue, thence easterly along a line fourteen and five tenths (14.5) feet northerly of and parallel with the southerly line and said southerly line extended of said easement number three (3) to a point three (3) feet west of the east line of said easement number three (3);

Including all vitrified, salt glazed, hub and spigot tile sewer pipe and fittings, monolithic concrete manholes with cast iron manhole covers, concrete for encasing all sewers ten (10) feet or more in depth, six (6) inch vitrified tile sewer pipe encased in concrete for drop connections to manholes, connections to manhole of the intercepting sewer of the Sanitary District of Chicago, junctions for house service connections, provisions for future connections to proposed manholes, all trenching, excavation, backfilling, flushing backfill with water, and removal of all surplus materials, all labor and materials, cost of engineering services, and all other expenses necessary to construct said proposed local improvement, all within the Village of Winnetka, County of Cook and State of Illinois, the ordinance for the same being on file in the office of the Village Clerk of said Village, and the said Village having applied to the Superior Court of Cook County, Illinois, for an assessment of the cost of said improvement according to the benefits, and a special assessment therefor having been made and returned to said Court, General Number 445189 the final hearing thereon will be held on the 27th day of September, A. D. 1926, or as soon thereafter as the business of the said Court will permit. All persons desiring may file objections in said Court before said day, and may appear on the hearing and make their defense. Said ordinance provides for the collection of said assessment in ten (10) annual in-

stallments, with interest thereon at the rate of five per centum (5%) per annum. Dated, Winnetka, Illinois, September 10, A. D., 1926.

HARRY I. ORWIG,
Person appointed by the President of the Board of Local Improvements of the Village of Winnetka, Cook County, Illinois, (and such appointment approved and confirmed by the Superior Court of Cook County, Illinois), to make said special assessment.

FREDERICK DICKINSON
Village Attorney.

T27-2tc

VILLAGE OF WINNETKA

Special Assessment Notice.

In the Superior Court of Cook County Illinois.

General Number 445241.

Notice is hereby given to all persons interested that the Village of Winnetka, Cook County, Illinois, having ordered that a local improvement consisting of a connecting system of sanitary sewers be constructed in Sunset Road, easement number two (2), and the easement of the Sanitary District of Chicago, and in easements numbers seven (7), eight (8), nine (9), ten (10) and eleven (11), as hereinafter described; including all excavation, trenching, backfilling, flushing backfill, constructing manholes, connections to present manholes, connection to proposed manholes, Y's for house service connections, provisions for future connections, and removal of all surplus materials, and cost of engineering services, all in the Village of Winnetka, Cook County, Illinois;

DESCRIPTION OF EASEMENTS

EASEMENT NUMBER TWO (2). The south twenty (20) feet of the northeast quarter of the southwest quarter of section twenty (20), together with the north twenty (20) feet of that part of the southeast quarter of said section twenty (20) lying west of the east one hundred (100) feet thereof, all in township forty-two (42) north, range thirteen (13) east of the third principal meridian.

EASEMENT NUMBER SEVEN (7). A strip of land twelve (12) feet in width extending south from a line twenty (20) feet south of the north line of the southeast quarter of the southwest quarter or section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian, to the northerly line of easement number eight (8), the center line of said strip of land being six hundred sixty-two and four tenths (662.4) feet east of and parallel with the west line of said southeast quarter of southwest quarter.

EASEMENT NUMBER EIGHT (8), A strip of land forty (40) feet in width, extending easterly from a line four hundred forty-one and eight tenths (441.8) feet east of west line of the southeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian, to the westerly line of the existing private road, forty (40) feet in width, adjoining the west line of the east one hundred (100) feet of the north half of said southeast quarter of southwest quarter, the center line of said strip of land being described as follows: Beginning at a point four hundred forty-one and eight tenths (441.8) feet east of the west line of said southeast quarter of southwest quarter and four hundred forty and thirty-three hundredths (440.33) feet south of the north line thereof; thence easterly along a curved line, convex northerly, and having a radius of nine hundred fifty-five (955) feet to a point four hundred thirty-nine and nine tenths (439.9) feet south of the north line of said southeast quarter of southwest quarter, and two hundred eighty-seven and six tenths (287.6) feet west of the east line of the north half of said southeast quarter of southwest quarter; thence easterly along a curved line, tangent to the last described curved line, convex southerly, and having a radius of three hundred and five hundredths (300.05) feet, to the westerly line of said forty (40) foot private road.

EASEMENT NUMBER NINE (9). A strip of land twenty-five (25) feet in width, the northerly line of said strip of land being four hundred (400) feet south of and parallel with the north line of the southeast quarter of the southwest quarter of section twenty (20) in township forty-two (42) north, range thirteen (13) east of the third principal meridian, the easterly line of said strip of land being four hundred forty-one and eight tenths (441.8) feet east of and parallel with the west line of said southeast quarter of southwest quarter, the south line of said strip of land being four hundred forty-four and twenty-nine hundredths (444.29) feet north of and parallel with the south line of said southeast quarter of southwest quarter,
