

Plan "Parish Frolic" for Congregational Members

Since the hilarious "parish frolic" held in Matz hall last spring, there have been many requests for a similar party in the fall. Accordingly, such a program has been arranged for

Wednesday evening, September 29, at 8 o'clock. There will be games, stunts, surprises, music and refreshments. The "frolic" is guaranteed to remove absolutely all dignity, peevishness and solemnity. If you are troubled by any of these complaints, come and be cured, is the challenge. All members

and friends of the Congregational church are invited, and especially newcomers and others who want a chance to get better acquainted.

Mr. and Mrs. Ernest S. Ballard and six children, 811 Auburn road, have returned from a summer in the east.

British-American Club Enters Upon New Season

The North Shore British-American Social club will hold its second meeting of the fall and winter term, September 25, at 8 o'clock, in the Assembly room, Community House.

The club will hold its regular business meeting during the first part of the evening, to be followed by dancing and refreshments later on. They are planning an extensive program of activities, with a reunion next month, and a large affair in November.

The officers of the club, who will have charge during this next year are Robert Nichols of Winnetka, president; Thomas Simpson of Ravinia, vice-president; William G. Roberts of Hubbard Woods, secretary, and Mrs. William G. Roberts, treasurer.

Year's Athletic Program Starts at Country Day

With the opening of North Shore Country Day school this week extensive preparations are being made for athletic activities throughout the present term. The past week has been devoted to physical examinations in preparation for the preliminary training. Jack Anderson is again in charge of boys' athletics and Miss L. M. Greeley will direct the girls' activities.

Miss Jessie Coman of Fullerton, Cal., daughter of Mr. and Mrs. Charles Coman, formerly of Winnetka, is visiting old friends in Winnetka.
