Announcing Rosenbaum's Christmas Gift Club

An Easy Way to Save and Buy for Christmas

To help lessen the burden of Christmas shopping and Christmas expenditure, we invite forethoughted shoppers to join our Christmas Gift Club. This will give you the privilege of making your Christmas selections now. You will make a small deposit, and continue payments at your convenience until your purchases are paid for. We will hold them until Christmas and then make delivery.

By this plan you will get a wide selection of new merchandise; your payments will be so small you'll hardly notice them; you will owe nothing on Christmas day, and your Christmas shopping worries will vanish.

This plan applies to anything in our stock, especially cedar chests, easy chairs, occasional tables, smoking sets, sewing cabinets, etc.

Open Thursday and Saturday Evenings
