**1 REAL ESTATE**

**For the Fortunate Four**

We now have only four of these choice Glencoe lots left. And these four will not last long.

**It's A Bargain**

These four lots are inside the Village limits of Glencoe—not way out in the sticks. Two of these lots are together. They are 100x200 feet deep, and are priced at \$4,250 each, or \$42.50 per foot. The other two are separated by one lot, and are priced respectively at \$3,000 and \$4,500.

**You Cannot Go Wrong!**

Two concrete highways are but two short blocks away from the property. Streets are graded; gas is in; sewer and water are applied for; land is high and rolling. A forest preserve adjoins the property and an excellent golf course is but a few hundred feet away.

**Why We Can Do It**

As we told you last week, a friend of ours is suffering from Californiitis—he wants to get away in a hurry—he can't go until these four lots are sold—and that's the whole story in a nutshell, of why we can offer these lots, inside the village limits of Glencoe—within 3 blocks of homes costing from \$35,000 to \$75,000—one of the most substantial and spectacular developments on the North Shore—at the ridiculous price of \$42.50 per front foot.

We need not tell you that they won't last long at this price. Better see us right away—at the price asked we are confident that these lots can be turned over in a short time—and at a handsome profit.
