Christian Science Churches

"Unreality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, October 3. The Golden Text was from I Thessalonians 5:21, "Prove all things; hold fast that which is good."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded. Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else" (Isaiah 45:12, 22).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "What we term mortal mind or carnal mind, dependent on matter for manifestation, is not Mind: all that Mind, God, is, or hath made, is good, and He made all. Hence evil is not made and is not real" (p.311).

N. T. Student Council Holds Initial Meeting

The Student council of New Trier high school, which is the student advisory body to the principal, consisting of a representative from each adviser room, held its first meeting Monday of this week.

Most of the time was consumed in plans of organization. As a result of the election of officers, John West was elected president, and Martha Etzbach, secretary. The chairmen of the various delegations will be chosen at a subsequent meeting.

Some of the problems to be considered by the Student council for the current year are as follows: Parking of student automobiles and the regulation of student use of autos; the honor study hall; the plan of awarding athletic and school emblems, and other problems of student activities as they arise.
