

# FIRST OFFERING—Residence Sites

in Most Exclusive Country Home Section  
within Winnetka Village Limits

**Motor Out** and see this development in the most exclusive country home district of the near North Shore.

**From Sheridan Road** in Winnetka drive west on Winnetka Avenue (Hill Road—see map) to the property, or follow Elm Street to Winnetka village hall, then south to Winnetka Avenue (Hill Road) and west.

**From Waukegan Road** drive east across Lake Avenue or willow Street to Hibbard Road, thence east along Winnetka Avenue (Hill Road) to No. 1105.

**YOU**, perhaps, are one of the many who are seeking to withdraw from homes on "Monoxide Avenue," in order that your children may play safely—in the real country—yet enjoy every advantage of the most exclusive residence district.

To make this possible for a limited number we are improving a thirty acre tract just north and west of the Indian Hill Club, along lines that assure the finest country home developments throughout. These residence tracts front on winding private roads within a mile of the

Chicago and Northwestern station at Winnetka. Sanitary and storm sewers and water mains are under construction. The land is beautifully wooded, well drained and lies in the midst of an environment of country homes, golf clubs, fine schools, paved roads and rapid transit lines not excelled anywhere.

Values a short distance east exceed \$200 per front foot. To those who act immediately, the choicest of these tracts are available not later than January 1st at prices on the basis of \$85 a front foot and with advances assured.
