

Protect those Priceless Oriental Treasures

There is only one right way to clean and repair Oriental Rugs, and that is the way we do it.

Your Orientals cleaned and repaired by hand in our institution will be returned to you rejuvenated and beautiful.

20th Anniversary
Oriental Rug Sale

OPEN EVERY EVENING DURING THIS SALE

This anniversary sale is your opportunity to place in your home the Orientals that you have been wishing for, for many years. Never before has so completed collection been offered to the public at so great a sacrifice. This sacrifice is being made in order to turn over our stock quickly. This sale is not merely an advertising stunt but is an effort on our part to turn a portion of our stock into ready money and in doing so we are offering rugs at little or no profit and in some instances at a loss.
