

ELECT NEW OFFICERS

Ouilmette Council, Knights of Columbus, Holds Installation; Announces Winter Program

Ouilmette council, Knights of Columbus, at its meeting Tuesday evening of this week installed the following officers, who were elected to their respective positions at the September 14 session:

Edward Cunningham, 1745 Washington avenue, grand knight; Frank Kreusch, 1734 Forest avenue, deputy grand knight; John Selzer, Hibbard road, recording secretary; Robert McKay of Glencoe, warden; John Sullivan of Winnetka, chancellor; William Hillinger, 1520 Spencer avenue, treasurer, William Kreusch, 1728 Elmwood avenue, inside guard; Joseph De Haye, 1510 Lake avenue, outside guard; Joseph Steffens, Wilmette avenue, trustee for three years; August Pearson, 1815 Walnut avenue, trustee to fill unexpired term; William Obermeier, 232 Laurel avenue, delegate with grand knight to state convention; John J. Moran, 924 Greenleaf avenue, alternate delegate to grand knight and Nic P. Miller, 1775 Washington avenue, alternate to William Obermeier.

The grand knight of the council has appointed the Rev. Joseph Rubey, assistant pastor of St. Joseph parish, as chaplain and John Miller, 1730 Washington avenue, as financial secretary.

With a few exceptions the officers are new to their duties, but this is not expected to deter them from keeping up the excellent reputation of the council.

Plans Athletic Program

Ouilmette Council, which prides itself on being one of the peppiest councils in the Chicago district, next week swings into one of the busiest athletic

seasons it has ever enjoyed, when the lid is knocked off in the local recreation leagues. The local Knights of Columbus have entered teams in the basketball and indoor-baseball leagues and two outfits in the indoor-quits organization.

The Knights of course, are going out to win. But victory is secondary as their athletic committee feels that active sport and good sportmanship to be engaged in and shown by the players of their group is most important.

The Knights are grateful to the local recreation board for the opportunity presented them to engage in local athletic activities. The social calendar of the council is always a busy one but the sport program was more or less at a stand-still, due to the partial laxity in local winter athletics during former years.

Ouilmette is also considering the organization of a bowling league composed of members of the council body. This matter is being considered very seriously and a definite decision will soon be made in regard to it.

Mrs. Sadie C. Filkins of 468 Ridge avenue, who has been a resident of Winnetka for many years, will leave on October 22, to make her home with her daughter in Riverside, Ill.
